shot and killed in the parking lot people into custody but of the Georgetown Apartments them were released after in southeast Dallas about 11:30 tioning. One man remin a.m. Monday, said police custody until Tuesday spokesman Bob Shaw. police said they had no

He did not talk to his dispatcher before leaving his car, they would not say if here but the department suspects he sidered a suspect. spotted a drug transaction in

progress.

"He apparently came across a drug deal because officers

Officers rushed intology." found several syringes near the shooting," Shaw said.

Baker was outside his patrol car when he was shot four times, twice in the heart and twice in the torso, Shaw said. The officer was shot with a rifle, authorities said, but his .38-caliber revolver was missing:

A witness said two men jumped into a van and drove over Baker as they escaped from the scene. Authorities said three or four other people were be-lieved to have been in the van.

Police originally took four

pared a case against hi

Sgt. Harry Green si

Officers rushed into the in a full-scale manhunt suspects and the van. Shaw described as yellow

white with a white top. Within minutes of the ing, three men and a w were arrested in the area when a woman saw crawling through the bad dow of an apartment.

Baker, who had beenw Dallas police department June 1979, had a daugh and his widow is seven pregnant, Shaw said.

Robot loans?

United Press International applicants questions IRVING — Loan officers at might be awkward for InterFirst Bank realize people officer to ask. are nervous when they ask loan officers for money, so they have established a system in which people can ask a machine.

"A computer is a peerless in-terviewer. It has no race, sex or age," says Brooks Mitchell, pres-ident of Delta Employment Systems Inc. which installed a computerized loan interview system for the suburban Dallas bank. Gary McCash, the bank's the applicant's health, is senior vice president of consumer loans, said that the system has ruptcy appear on the one

been used at the bank since De-

A loan applicant canfl standard loan application and the basic information it is typed into the comp bank employee. The appl then left with the con while the loan officer the customer's credit rating.

A series of multiple questions about such subj terminal. They are answer cember, and that it is doing what ing only the typewriters it was designed to do: Ask loan and the letters A through

Auto restraint bill large stalled in House

United Press International AUSTIN — Supporters of mandatory auto restraints for children used "Save a Child Day" Tuesday to pressure the Texas House to approve a Senate-passed bill that requires safety seats for children under age 4. The bill passed the Senate arly in the session, but has been

stalled in the House. One of the bill's sponsors, Sen. Carl Parker, D-Port Arthur, noted that two years ago he was able to win passage within about three weeks of a bill that

protected alligators in Texas. "It's a shame that in a state where we can protect alligators

Senate is now waiting or Parker said the proposed

law could save the lives many as 75 children in the The senator was joined news conference by two sponsors of the bill, Rep. Hill, R-Garland, and

health commissioner Dr. N Bernstein and public safety ctor Jim Adams. Adams said 80 percento young children killed in II accidents could have beens with restraint devices that

now been mandated in 34st He also said Texas has in three weeks, we can't protect children in an entire session of rate for children under in the Legislature." he are in the Legislature in the Le the Legislature," he said. "The of age in the United States
