MSC Grove

Sladerunner:

Thursday. Harrison Ford stars in this futuristic glance of America. Ford plays a detective set out to uncover two droid robots posing as humans. He must stop them before they destroy what is left. Rated R.

Officer and a Gentleman:

Friday/Saturday. Richard Gere and Debra Winger star in this Academy award winning picture. Gere is a young crumb in boot camp and Gere what it means to be a gentleman. Rated R.

One with the Wind:

Sunday. This great love story classic returns. See Rhett Butler and Scarlett O'Hara chronicle life in the old south. A romance for all ages. Rated G.

Porky's

Sunday. A classic teen film. We see how a group of "realistic" teenagers cope with love and resolve their differences with Porky, the dreaded member of the joint from which the movie gets its name. Rated R.

Sharkey's Machine

Tuesday. Burt Reynolds stars in this Detective story. Be sure and see this one, and Reynolds without his toupee. Rated R.

Animal House

Wednesday. The classic campus comedy has come to campus. John Belushi among a host of others show us what college life sometimes is really like. A true comedy classic. Rated R.

Plitt Cinema I&II&III

Porky's II:

Like the original *Porky's* this movie promises little plot, little acting skill, and little humor. But it does have its humorous moments. Rated R.

Superman III:

Another one of this summer's sequels. This time the villains are more humorous, and the movie seems to have taken a lighter look at itself. If you have ever wanted to believe in a hero then you will enjoy this film. Rated PG.

Flashdance:

A film with little plot and little acting talent but it has some of the most electrifying dancing and music that has come out of a movie in a long time. This film does for New Music what *Saturday Night Fever* did for Disco. Rated R.

Rocky Horror Picture Show:

What happens when the all-American couple meets a transsexual? Watch this classic cult film and find out. Midnight. Rated R.

Manor East

The Man From Snowy River:

Kirk Douglas stars in this western about a boy suddenly alone in the world who helps a girl struggling with life. In Dolby stereo. Rated PG.

Return of the Jedi:

The third installment in the exciting *Star Wars* trilogy. I doubt seriously if there is anywhere who doesn't know what this film is about. Rated PG.

Black Stallion and The Last Unicorn:

Double Feature. The children's classic *The Black Stallion* and the animated story of *The Last Unicorn* are together for youthful fantasy and delight. Rated G.

Post Oak:

Blue Thunder:

Roy Scheider stars in this flick about an honest man trying to save the public from the horrors of an over-done riot-control helicopter. The story line is interesting but the feasibility is doubtful. Rated R.

The Survivors:

Walter Matthau and Robin Williams star in this new comedy. The humor is more situation than anything else and unfortunately hides the talents of both of these men. Rated R.

Stoker Ace:

Burt Reynolds and Loni Anderson star in this excuse to "act" together. Reynolds is a race car driver and Anderson is the girl after his heart. Rated R.
