# Aggies shine in final scrimmage

by John P. Lopez  
Sports Editor

The Texas A&M football team couldn't have asked for much more from its final full-contact scrimmage of the pre-season Friday night.

Not only did the Aggies walk off Kyle Field injury-free after the hour and a half scrimmage, but the Aggie backfield proved that by mid-season, Texas A&M fans could very well forget what

positions Gary Kubiak, Earnest Jackson and Johnny Hector

played last year.

Behind a strong performance by the offensive line, quarterback John Mazur connected on 11 of 20 passes and tailbacks Joey Harris and Keith Woodside slipped their way through the second-team defense with apparent ease.

The Aggie first-team offense picked up 20 first downs and scored five touchdowns during the scrimmage.

Harris and Woodside collected the most oohs and aahs from a small crowd of invited

Aggie fans as the two running backs showed similar jittery moves on their way to a highly productive night.

Harris scored four touchdowns en route to his 63 yards on 12 carries and Woodside gained 39 yards and a touchdown.

Woodside, a freshman, also raised a few eyebrows with a spectacular 39-yard punt return. Woodside pulled in Craig Stump's punt, took a few steps to the right and then exploded back to the left and down the sideline before Stump finally pushed the Louisiana native

down.

Backup quarterback Kevin Murray also put on a good show as he hit on four of eight passes including a 75-yard toss to world-class sprinter Rod Richardson.

Defensively, the Aggies looked strong as well. Senior Billy Cannon seemed to fit right in at his new linebacking position and the Texas A&M secondary looked much quicker than the inconsistent secondary of last year. One reason for the improved quickness was freshman Jeff Holley.

Holley was in on several plays

for the second-team defense, including an interception that might help him log a lot of playing time for Texas A&M this year. Holley sprinted in from a Mazur pass to the line and raced 65 yards for a touchdown.

The first-team defense meanwhile, allowed only four first downs on the night, but was squaring off against the 2 Aggie offense. Saturday, Texas A&M hosts the University of California Golden Bears at Kyle Field, the Aggie offense will have a chance to prove that its good performance day was not a fluke.

# Winning Cowboys concerned, Oilers optimistic about season

United Press International  
DALLAS — It happens from time to time that the winners of a football game grumble about how things are going and the losers emerge optimistic about how things are progressing.

That is the case more often during the exhibition season than it is during the regular campaign and that was the way of things Saturday night when the Dallas Cowboys and Hous-

ton Oilers completed their tuneups for the 1983 race.

Dallas was the winner, 34-31, in a game that saw the lead change hands four times in the fourth quarter. But in this case the losers sounded more excited than the winners.

"We're ready for Green Bay," said Houston quarterback Archie Manning. "We haven't won in preseason (in fact the Oilers haven't won a game of any

kind since last Sept. 19), but we've been in the last three games."

"I see everything falling into place," added Earl Campbell, who scored only two touchdowns in all of 1982 but who scored twice against the Cowboys and gained 119 yards in just over a half of work.

"Everybody came to camp in good shape and with a better attitude and it's beginning to pay off."

So Houston is excited about its opener, which will come at home next Sunday against the Packers.

The Cowboys, meanwhile, will go to Washington next Monday night with concerns about their defense, which has not stopped many people during a 3-1 exhibition campaign.

"We are making far too many mistakes and it is costing us," said Dallas coach Tom Landry. "When you make the mistakes

we have made you are going to be in trouble.

"We're not plugging holes."

Dallas gave up a 48-yard touchdown run to Campbell who broke through the defense to be tackled by linebacker Hegman and Everson in the half way along the trip. The Cowboys surrendered a 105-yard kickoff return to Roaches with 2:45 to play and put Houston in front, 31-28.

But backup quarterback Gary Hogeboom, who had before had fallen down, got up and threw a 2-yard touchdown pass to tight end D. Cosbie, drove Dallas 62 yards for the winning score — a 31-28 victory — on an 18-yard pass by Butch Johnson.

"There has been a lot of pressure on our quarterback and they have come through," said Landry. "That is encouraging."

Held Over 'til Labor Day

## Our Shorts Trade-in

Bring in your tired old shorts for up to \$5.00 credit toward any new short in stock. Any short—no matter how old—may be traded. But of course an old Whole Earth short has more trade-in value than Brand X. One old pair toward each new pair—no limit.

So take the Trade Route today.
