1983 FALL SEMESTER PELL GRANT RECIPIENTS
 To insure an orderly payment of the Pell Grant at the earliest possible date, the most current "billing" information at the time of the award is used. However, much of this information may be changed during the "drop/add" period when course loads and other expenses are charged and/or adjusted. To prevent undue hardship and the possibility of overpayment, a \$50 deduction will be made on each student's Pell Grant check. The \$50 and any adjustments to this amount will be paid after the 12th class day roster has been finalized by the Registrar's Office.
