A place to put your feet up

photo by Dave Scott

These feet and the people they belong to, were caught on the second floor of the MSC Wednesday. It must have been a quiet, out-of-the-way place to study and relax.

American plans DFW remodeling

United Press International
GRAPEVINE — American Airlines announced Wednesday it will spend \$15 million by the end of 1984 to completely remodel its largest terminal at Dallas-Fort Worth Airport and add 75,000 square feet of passenger lounge space.
The airline currently is completing a \$76 million expansion and improvement program at the airport.

last April that increased its aircraft parking positions from 23 to 34.
He said the new facilities made evident the inadequacy of its original terminal, which opened in 1974, before American made DFW its major hub.

Thomas G. Plaskett, American's senior vice president for marketing, said the \$15 million project was decided on after the airline opened a new terminal

Hall to send holiday mail

by Brenda Bivona
Battalion Reporter
The Armed Forces Mail Call, a program that promotes sending Christmas greetings to servicemen and women in the United States and overseas, will be sponsored at Texas A&M again this year by the Keathley Hall Council.

Last year, Aggies sent 87 cards and placed second in the national drive for colleges. Southeastern Massachusetts University in North Dartmouth placed first.

Karen Crotty, the Keathley resident responsible for getting the program started here, says that in spite of Texas A&M's second place rank, the drive has not been as successful as it could be.

"On a campus of 36,000 students we can get more than 87 cards," she said.

Cards and letters were collected in boxes in the Memorial Student Center and the Commons last year. But Laura Chapin, Keathley program director, said the program will be different this year.

For one thing, she said, collections will start earlier. The drive is scheduled to begin on Nov. 1. Also, Chapin said Keathley residents will promote and explain the program to hall councils and other student groups.

Keathley residents started sponsoring the drive three years ago when Crotty read about the program in The Battalion and told her hall president that it would be a good dormitory project.

Crotty said the Keathley Hall Council decided to participate in the program because they all know what it's like to have an empty mailbox.
"A lot of the girls got letters in return," she said.

What's Up

THURSDAY

STUDENT Y: Come to the play-day in Hensel Park between 1:30 p.m. and 3:30 p.m. today and Friday for hot dogs, softball, and a fun time.
