Orchestra will perform here

The Academy of St. Martin in Fields Orchestra will appear Wednesday, April 11, at 8 p.m. in Rudder Auditorium. World-renowned as one of the finest classical music ensembles to come out of Great Britain, the octet will perform works by Brahms, Shostakovich and Mendelssohn.

The octet performs music ranging from the baroque to the contemporary, and for the past 10 years, the principal string players have performed and recorded a wide range of the larger chamber works by such composers as Mozart, Boccherini and Schoenberg. The octet is currently recording all of Handel's chamber works.

While most chamber works are usually performed by a string quartet and one or two guests from a different quartet, the eight highly respected members of the Academy of St. Martin in the Fields Octet bring to its presentations the special quality of musicians well-acquainted with performing together.

Wednesday's performance is presented by MSC OPAS. Tickets are \$12, \$9.50 and \$7 for non-students and \$10.00, \$8.50 and \$6 with a student I.D., and are available at the MSC Box Office
