Teachers to campaign for June special session

United Press International
AUSTIN — Texas' second largest teacher organization Wednesday announced a letter-writing campaign in support of a special session of the Legislature in June to address education reforms.

Mike Morrow, director of the 37,000-member Association of Texas Professional Educators, said teachers will stress in letters to their legislators that they want the session to begin in

June after school is out for the summer.

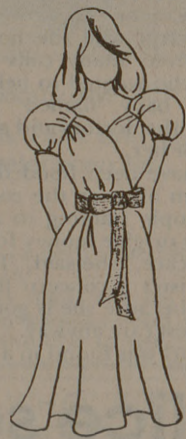

"We're asking that the call be in early June to allow teachers to come to Austin and review the process that might well change the course of education in this state," he said.

Gov. Mark White has indicated he will call a special session in May or June to address recommendations by H. Ross Perot's Select Subcommittee on Public Education.

ATPE president Mike Hardin, a math teacher from the Hurst-Eules-Bedford Independent School District, reiterated the association's support of an elected state Board of Education, competency testing of teachers and the concept of a career ladder pay plan.

- Large Bath And Vanity

Defense contracts to generate jobs

United Press International
BROWNSVILLE — Two defense contracts totaling \$23.4 million and expected to generate 800 new jobs have been awarded for the economically depressed Rio Grande Valley, Sen. John Tower, R-Texas, said Wednesday.

with an \$8.4 million contract. Garcia Ordnance of Houston will produce engines and engine parts under three Army contracts totaling \$15 million.

The Universal Canvas facility eventually will employ 350 new workers while the Garcia Ordnance plant will employ 450, said Tower, who planned to officially announce the contract awards at the Brownsville plant on Saturday.

"These projects and the long-term jobs offered by these two companies will provide significant economic growth to the area," Tower said.

Tower, chairman of the Senate Armed Services Committee, said paperwork was being completed on contracts that will enable plants in Brownsville and Edinburg to expand their manufacturing operations. Universal Canvas, based in Corpus Christi, will produce tents and other Army equipment at its Brownsville plant.

CONSIDERING A CHANGE?

Have breakfast at home, lunch in Mexico, and dinner at the beach. Brownsville Independent School District, located in semi-tropical South Texas, is seeking special education teachers and speech therapists. Opportunities abound for achievement-oriented professionals.
