Drake Relays open

United Press International
DES MOINES, Iowa — Mississippi hurdler Tony Dees and Texas javelin thrower Einar Vilhjalmsson are set to begin assaults on Drake Relays records today in the 75th anniversary of the annual track and field event.

As many as 16 university-college, special events and women's records are in danger of falling during the two-day competition. Drake marks already have been surpassed this year by a team or individual regis-

tered for the same event in this weekend's relays.

Dees tied the 110-meter high hurdles Drake mark of 13.68 last year and should have a good shot of claiming it outright when the preliminary heats get under way at 2:05 p.m. Friday.

"Tony Dees is one of the best hurdlers in the world," said Erhardt, who includes Dees in his list of a dozen or so Drake participants likely to make an Olympic team.

Dees tied Big Eight outdoor champ Albert Lane of Missouri for first at the Paper Tiger Invitational with 13.71, but his best this year is 13.67. The finals are set for 2:11 p.m. Saturday.

The javelin throw opens Friday's field events with Vilhjalmsson a heavy favorite to shatter the old Drake record of 259-9 set by Southern Illinois' Bob Roggy in 1978.

Vilhjalmsson, the Icelandic national record-holder, set the U.S. collegiate record with his winning throw of 303-1 at the Texas Relays. He won the Southwest Conference championship, 275-4, NCAA title, 293-1, and placed fourth in the World Games.

Three other entries in the javelin have bettered the Drake Relays record this year: Alabama's Siggy Einarsson, Texas' Peter Borglund and Kansas State's Ray Hansen.

The high jump and the 4 x 400-meter relay are the two other records likely to fall in the men's university-college division. The relay will close the two-day event early Saturday evening.

Texas freshman James Lott, who jumped 7-5 1/4 at the LSU invitational, leads a field of eight Drake high jump participants who have exceeded the Olympic standard of 7-4 1/4.

Defending champion Brian Tietjens, an Iowa State sophomore, set the Drake record of 7-5 last year, but 7-4 1/4 is his best this season. Alabama's Tom McCants has jumped 7-5 indoors this year and Big Ten indoor champ Ron Jones of Indiana has cleared the Olympic standard.

Aggie tennis coach David Kent talks to doubles partners Marcel Vos, left, and Arnold Kettner earlier this season. Kent will be doing plenty of coaching as the Aggies travel to the SWC tennis tourney this weekend.

If you talk to the Texas A&M tennis coaches, both will say their teams should do well in the Southwest Conference ten-

nis tournament this week despite the fact that both teams are young.

Women's coach Jan Cannon and men's coach David Kent both see talent rather than youth when talking about the A&M's possibilities in College Christy.

"We've done well against the best teams," Cannon says, "but we think we are in the best position we've ever been in."

Kent is also optimistic, saying, "We've had a lot of ups and downs this season — with more ups than downs."

Cannon has directed the women's team to a 44 conference record, placing fourth in the SWC behind the University of Texas, Southern Methodist, and Texas Christian.

The nationally ranked men's team has posted a 4-3 conference record under Kent's direction, leaving them behind the University of Arkansas, Texas and Houston.

Each team has a roster loaded with freshman this season.

The men's team has three freshmen, a junior and a senior. While the women's team has three freshmen, a sophomore, a junior and a senior.

Kent says the number one player on his team, freshman Marcel Vos, has been playing well lately. Kent also says Hill and Grant Connell have a pretty good chance to qualify for both singles and doubles.

Summer Students!

The summer SHUTTLE BUS service for this year has been RESTRICTED to a few choice apartment properties.

These few properties have shown enough concern for the needs of their residents to provide substantial subsidy to the shuttle bus program to enable them to offer this service EXCLUSIVELY to their residents. These are the ONLY properties that will have bus passes to issue, and any other properties advertising that they are "on the shuttle bus route" are doing so with the knowledge that their residents WILL NOT be allowed to ride the bus. Investigate thoroughly before signing a lease.
