LEADERSHIP... Striving to expose our members to the rewards and responsibilities of campus, community and chapter involvement, IKA has members in every level of campus and community life across the nation.

SCHOLARSHIP... Through programs developed to maximize academic performance, and by offering alumni-sponsored grants and low-interest scholarship loans to assist in financing educational expenses, Pi Kappa Alpha works to promote the academic efforts of our members.

SERVICE... The measure of man is what he gives of himself. IKA's give considerable time and energy through organizations such as Big Brothers of America, Muscular Dystrophy Association, the Heart Fund and many other philanthropic and service associations.

ATHLETICS... The experience and rewards of athletic competition are an important part of the growth and development of a young man. The college fraternity provides an ideal setting to maximize these benefits through keen athletic competition, and IKA's success in this area has long been one of our trademarks.

ALUMNI... Alumni are the strength and backbone of Pi Kappa Alpha. Over 120,000 initiated brothers give true meaning to tradition. Their volunteer service, from local chapter advisors to national officers, insures that IKA will continue to grow in the future and be a significant part of the lives of thousands of college men and alumni.
