TCU ticket sales booming

FORT WORTH, Texas — The Texas Christian University football ticket office opened at 9 a.m. Monday and when it did there were people in line to buy.

Since TCU has not had a winning season in 13 years, that is an unusual happening.

"There are people in line and the phone is ringing off the wall," said TCU ticket manager Tommy Love. "It's fantastic."

The sudden surge in interest came as a result of TCU's 62-18 win last Saturday over Utah State, a game in which the Horned Frogs set a school record for total offense (677 yards) and produced the fourth largest yardage total in Southwest Conference history.

TCU plays its home opener next Saturday against Kansas State and before last weekend's game the Frogs had sold only about 16,000 tickets for the meeting with the Wildcats.

"We might sell 7,000 or 8,000 tickets this week and that is a lot of tickets to sell in a week," said Love. "Last year we had 28,000 for our home opener against Kansas and having that many this year is not totally out of the question."

Baylor to settle on QB

WACO, Texas — Baylor coach Grant Teaff said Monday he would probably settle Baylor's quarterback situation by Thursday, deciding on a starter between junior Tom Muecke of Angleton and sophomore Cody Carlson of San Antonio.

"I will probably name someone Thursday," said Teaff. "That's basically what I'm thinking. It mainly will be based on their performance in our last ball game and their work

up until this point."

Muecke and Carlson have alternated in varying types of plans since the opening of the 1983 season.

They alternated every other play through the first five games of last season, then alternated by series.

Before the Bears opened their 1984 season against Brigham Young, Teaff tossed a coin in the Baylor locker room to determine his starter. Muecke correctly called the toss.

Arkansas praises champions

FAYETTEVILLE, Ark. — Arkansas football coach Ken Hatfield said Monday that six of his players had received "champion" designations after films of Saturday night's 14-14 tie with Ole Miss were graded.

"In the kicking game, David Dudley and Greg Garrison graded out as champions," Hatfield said. "Dudley had three tackles on punts and Garrison had 11 good snaps."

"Defensively, (noseguard) Tony Chericco, (linebacker) Nick Miller and (safety) Greg Lasker graded as champions. On offense, (fullback) Marshal Foreman was the only true champion as he graded out at 98 percent."

Hatfield also gave special recognition to cornerback Kevin Wyatt for his performance against Ole Miss, which included fielding punts, tipping a field goal attempt and aggressive play on defense.

Hatfield said his team played hard, but made too many mistakes against Ole Miss. He said his players will have to be more consistent when they face Tulsa at 2 p.m. Saturday in Razorback Stadium.

The players went through a light workout in helmets and shoulder pads Monday after spending 90 minutes viewing films of Saturday night's game.

Canucks, Swedes skate for Cup title

United Press International

EDMONTON, Alberta — John Tonelli sees only one difference between the Canada Cup trophy and the Stanley Cup trophy.

You can't drink out of the leaf-shaped Canada Cup, but that won't change the taste of victory.

Canada faces Sweden Tuesday night in Game 2 of the best-of-three final against Sweden. Like many players and fans, Tonelli, a veteran of four Stanley Cup championships with the New York Islanders, is not entirely sure where this 9-year old tournament ranks in prestige.

"I'm still trying to compare them," said the Islander. "They are parallel. At the moment we beat the Russians (in the semifinal), it was the same feeling I had when we won the Stanley Cup."

The Canada Cup is an emotional championship, not officially sanctioned as a world title. Yet it brings the best players in the world together from the top six hockey nations.

Because of the hectic playoff series, few top NHL players ever have a chance to play the Soviets, the Czechoslovakians or the Swedes on a national team.

Tonelli said the lack of an official mantle does not detract, claiming the team that wins has the bragging rights.

Canada played sluggishly in defeating Sweden 5-2 in Game 1, but

Tonelli expects a more concerted effort Tuesday night.

"We don't want to let them back in this thing," he said. "We have the edge now and it's time to close the thing off."

The Islander forward is not the most graceful or highly skilled player on Canada's impressive roster, but his tremendous drive could earn him selection as the tournament MVP.

He has worked the boards splendidly. It was his digging along the boards that sprung the pass which led to Canada's overtime goal against the USSR.

"Since that game, we have played as a team," he said. "We always felt like a team, but it just never came together until that game. When we scored in overtime I felt just like I did when I completed a pass to Bob Nystrom for our (New York's) first Stanley Cup win in overtime."

Canada coach Glen Sather would not disclose his starting goalie. Pete Peeters is coming off solid back-to-back performances, stopping 21 Soviet shots and 26 by the Swedes.

Canada will have Tonelli's sharp-shooting teammate, Mike Bossy, back on the ice. Bossy, who scored the overtime winner against the USSR, has been bothered by a knee injury.
