Ag bowlers roll their way to ten pin glory

By JODI FELTON
Reporter

Texas A&M Bowling Club members participated in a tournament held at the Chimney Hill Bowling Center over the weekend to qualify for the 1984-85 Aggie bowling team. "There are two men's teams and one women's team," said Bryan Ellis, club president. "We usually don't have enough women trying out to form two teams. The men's teams are divided into the gray and maroon teams."

The A&M gray team consists of Walter Mangan, Scott Schuler, Jimmy Stewart, Randy Hefner, Kevin Johnson and Mike Shoemaker, while the maroon team consists of Don Reason, John White, Danny Broadway, Bryan Ellis, Paul McCarty and Ken Clark.

The A&M women's team consists of Dolores Hagan, Cheryl Wolfe, Cindy Higby, Lori Hielscher, Wendy Walker and Deanne York.

The Ag bowling team competes in the Southern Division of the Texas Intercollegiate Bowling Conference.

This division includes A&M, Stephen F. Austin State University, Sam Houston State University, Lamar University, Texas Southern University, the University of Houston, Southwest Texas State University, the University of Texas at Austin and Trinity University.

"The bowling team won third place last year in the TIBC division," Ellis said. "Last year all the schools were together. This year is the first time it's been split into north and south divisions."

"West Texas State recruits bowlers on scholarships," Ellis said. "They win almost every year, but they're not in our division this year. Our only competition will be t.u. probably."

The Aggies will compete in three tournaments during the fall semester: Nacogdoches, Oct. 6; Houston, Nov. 10; and San Marcos, Dec. 8. The first two tournaments determine who goes to the last one since only one team from each school can participate in San Marcos.

In November, tryouts will be held for the Aggie bowling team that will compete at the regional tournament at the University of Houston. This team is separate from the Texas A&M Bowling Team. Anyone may tryout as long as they have a 2.0 grade-point ratio, according to club officers.

The winners at regionals advance to sectionals, then nationals and then internationals. The 1988 Summer Olympics in Seoul, South Korea will feature bowling competition for the first time ever. If a player advances into international play, he's got a good chance at making the U.S.

Olympic Bowling Team.

"The team members might try the ACUI team, but that doesn't mean they'll make it," Ellis said. However, Aggie bowling team members must be in the bowling center which began league play Sept. 13. Anyone at Texas A&M can join the club by paying dues of \$10 per semester. The money is used to purchase trophies and pay expenses for Corpus Christi tournament in spring.

The bowling club meets every Thursday night at the Chimney Hill Bowling Center for league bowling. The league starts at 8:45 p.m. and everyone bowls three games. The club sets up three teams and teams bowl against each other.

"Every player must pay \$5 for Thursday nights," Ellis said. The center charges \$4.50 and we make a \$1.50 profit. The center also charges for shoe rental, but most everyone has their own shoes and ball."

The league lasts all year long. Trophies are given to the winners at the end of the spring semester first, second and third places.

"There's a singles tournament at Austin on Sept. 22," Ellis said. Anyone in the club that's paid their dues can go. Any member can go to the two-day tournament in Corpus Christi, Texas, also."

Miami survives Bills' rally

United Press International

ORCHARD PARK, N.Y. — Dan Marino threw three touchdown passes and the Miami Dolphins held off a late Buffalo rally Monday night, in posting a 21-17 victory over the Bills.

Marino, a second-year pro who made his first start last season against Buffalo, threw a 1-yard touchdown pass to wide receiver Nat Moore at 4:33 of the third quarter to give the Dolphins a hefty 21-3 advantage.

Buffalo cut into Miami's lead with less than four minutes left in the third quarter. The Bills, on their first sustained drive of the game, went 80 yards in 13 plays. Rookie running

back Speedy Neal dove over from 1 yard to slice the Dolphins' lead to 21-10.

Early in the fourth quarter, Marino threw a 10-yard pass to receiver Jimmy Cefalo, who fumbled and the ball was recovered by Bills defensive back Marco Tongue at the Buffalo 21.

The Bills moved downfield and scored, cutting the Miami lead to 21-17 when quarterback Joe Ferguson, dodging a Miami blitz, threw a 37-yard touchdown pass to wide receiver Julius Dawkins.

Buffalo, 0-3, had a scoring opportunity with just over five minutes left in the game, but wide receiver Byron Franklin fumbled after catching a

Ferguson pass at the Miami 37. The loose ball was pounced on by Dolphins defensive back Don McNair.

Marino completed 26-of-35 passes for 296 yards.

The Dolphins, 3-0, took the opening kickoff and drove to the Bills' 10, but Uwe von Schaumann's 36-yard field goal attempt was wide left.

On its next possession, Marino drove 62 yards in eight plays capped by an 11-yard touchdown pass from Marino to Mark Duper. This gave the Dolphins a 7-0 lead at 12:51 of the first quarter.

Buffalo missed a scoring opportunity midway through the second quarter when Joe Danelo's 47-yard field goal attempt was blocked.
