

Walls, Downs lead Poke defense

# Cowboys sack Packers

United Press International

IRVING, Texas — Defensive backs Everson Walls and Michael Downs keynoted a defensive effort Sunday that allowed the Dallas Cowboys to survive a bland offensive showing and defeat the Green Bay Packers 20-6.

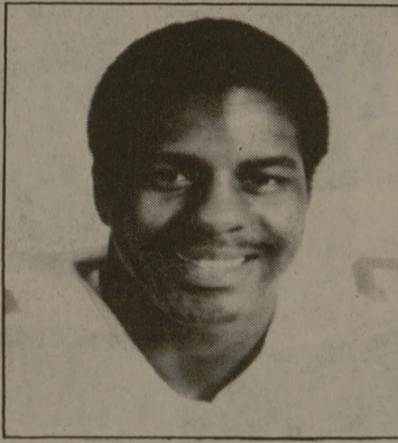

Walls intercepted two passes while Downs recorded two quarterback sacks and blocked an extra point attempt in sparking the Cowboys to their third win in four games.

Dallas, despite continuing offensive problems, remained tied for the lead in the NFC East with the New York Giants.

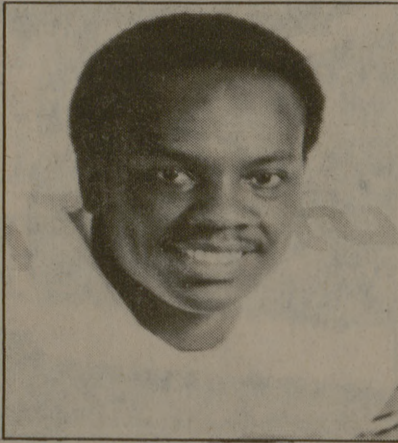

The Packers, meanwhile, slipped to 1-3 after a third consecutive week of their own offensive woes.

Green Bay had managed just seven points in each of their last two games and on Sunday the Packers only points came from their defense — a 5-yard interception return by defensive end Robert Brown on a would-be screen pass thrown by Gary Hogeboom.

Dallas could not put the game way

until 46 seconds remaining when Tony Dorsett, who became the NFL's sixth leading rusher of all time, scored on a 7-yard run.

The rest of Dallas' points — all scored in the first half — came on a 1-yard run by Timmy Newsome and field goals of 32 and 42 yards by Ra-

fael Septien.

Dorsett gained only 43 yards in 20 carries, but move past former Green Bay star Jim Taylor on the career rushing list.

The Cowboys registered six quarterback traps and so frustrated the Green Bay offense in the first half

that coach Forrest Gregg replaced starting quarterback Lynn Dickey with rookie Randy Wright of Wisconsin.

Dickey completed only 5-of-16 passes and was sacked five times while Wright made good on just 6-of-18 attempts.

After Brown's interception return for a score the Packers had the ball seven times and three of those possessions ended with Dallas interceptions.

Walls picked off a pass at the Dallas 10-yard line late in the third quarter and intercepted another in the end zone in the early stages of the fourth period.

Then, just before the two-minute warning, Wright threw the ball directly into the hands of linebacker Anthony Dickerson while under intense pressure from Randy White and Ed Jones.

The best Green Bay drive of the day, which advanced from its own 41 to the Cowboys' 20 midway through the final quarter, ended with a missed field goal attempt by Eddie Garcia from 37 yards.

# Falcons soar past hapless Oilers

United Press International

ATLANTA — Steve Bartkowski fattened his league-leading passing statistics Sunday when he completed 11-of-13 for 195 yards and three touchdowns while leading the Atlanta Falcons to a 42-10 victory over the Houston Oilers.

In addition, Gerald Riggs rushed for 120 yards and two touchdowns, and Jeff Jackson scored on a 35-yard interception return to help the Falcons hand the Oilers their 20th consecutive road loss dating back to 1981.

Bartkowski started the rout with a 23-yard touchdown pass to tight end Arthur Cox with only 4:58 gone in

the game, and Riggs scored on runs of 2 and 4 yards as the Falcons built a 21-0 first-quarter lead.

The Oilers kept the ball for almost the first 10 minutes of the second quarter during a 75-yard drive but had to settle for a 22-yard field goal by Florian Kempf.

The Oilers scored on a 2-yard pass from Warren Moon to Jeff Moriarty with one second left in the first half to go out at intermission trailing 21-10.

The Falcons, 2-2, widened their lead in the third quarter when Bartkowski threw touchdown passes of 25- and 16-yards respectively to Billy Johnson and Cox, and Jackson

scored on his interception with only 1:04 left in the mismatch.

With the Falcons, 2-2, having the ball for only four plays in the second quarter, Bartkowski threw only four passes in the first half — but completed three of those for 73 yards.

Houston, 0-4, failed to get beyond its own 40 in the first quarter. The Oilers' only scoring threat in the third quarter misfired when Kempf missed a 43-yard field goal with 3:23 left in the period, and the Oilers gave up the ball on downs at the Atlanta 27 with 1:56 gone in the fourth period.

Atlanta's first touchdown was set up when Al Richardson recovered

an Earl Campbell fumble at the Houston 42, the second on a 48-yard pass from Bartkowski to Alfred Jackson that put the ball at the Houston 9, and the third when John Rade recovered a Moon fumble at the Houston 29.

Moon, 16-of-28 for 208 yards on the afternoon, was at his best during the Oilers' field goal drive when he completed 5-of-6 passes for 65 yards.

Atlanta had one more scoring opportunity when Andy Provenge recovered a Moon fumble at the Oilers' 6, but the Falcons were content to just run out the clock.

**PROPOSITION NO. 1 ON THE BALLOT**

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

**PROPOSITION NO. 2 ON THE BALLOT**

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (¼ for The University of Texas System and ¼ for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

**PROPOSITION NO. 3 ON THE BALLOT**

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized-volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

**PROPOSITION NO. 4 ON THE BALLOT**

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of those counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

**PROPOSITION NO. 5 ON THE BALLOT**

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

**PROPOSITION NO. 8 ON THE BALLOT**

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."
