Ags tie Horns in SWC Indoor

By TONY CORNETT
Sports Writer

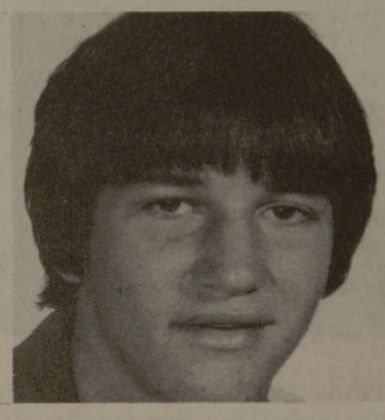

The 1984 fall tennis season has meant one thing to the Texas A&M Men's Tennis Team so far — success.

This past weekend in Lubbock, the Aggies tied the Texas, 38-38, for the Southwest Conference Indoor Team Championship. Arkansas was a distant third with 24 points, while Houston, Rice, Texas Tech and Baylor rounded out the results in that order.

A&M's squad took on every team in the conference except for TCU and SMU. The Mustangs are considered the conference favorites in '84, but were playing in a tournament out on the west coast and did not compete in the SWC Indoor.

The championship consisted of six singles events and three doubles events.

A&M junior Kimmo Alkio won

A&M's Dean Goldfine

the No. 3 singles defeating Pat Me-haffey of Arkansas, 6-2, 6-3, while sophomore Dean Goldfine won the No. 6 singles, defeating Texas' Chip Leighton, 6-4, 3-6, 7-6.

Three other A&M players ad- vanced to the final round of their singles division before losing.

In No. 1 singles action, junior Grant Connell was edged out by Texas' Tom Fontana 7-6, 4-6, 6-4.

At No. 2, senior Greg Hill ran into Texas' Charles Beckman and fell in three sets, 4-6, 6-4, 6-1.

Sophomore Mark Smith, playing No. 5 singles, lost out to a Texas' Paul Koscielski, 5-7, 7-5, 6-3.

A&M's No. 4 player, sophomore Marcel Vos, fell to Houston's Paul Rolquin, 6-3, 0-6, 7-6 in the second round of play.

A&M's No. 2 doubles team, Con-nell and Alkio defeated Texas' team of Fontana and Beckman, 7-6, 6-4 in the final round. That victory tied the Aggies with Texas for the tourna-ment title.

A&M's Kimmo Alkio

Smith and Hill, playing No. 1 doubles, were edged out by a duo in the second round. Russ Simmons and Vos advanced to the finals in No. 3 doubles, but out to a Texas team.

**Campbell says
'Oil pressure'
is low in Houston**

United Press International

HOUSTON — Hugh Camp-bell, still seeking his first NFL victory after nine games, Monday said he feels pressured, but not by the Houston Oilers management.

"The pressure I feel is for this football team to have a reward so they'll have something to build on," Campbell said. "I knew it would be a struggle, but I still have great hopes."

The reward Campbell wants for Houston is simple — a win. The Oilers fell to 0-9 after a 31-13 loss to the Cincinnati Bengals Sunday.

Campbell said he was more dis-couraged than disappointed with the loss.

"Cincinnati dominating us on the line, that part was discourag-ing and somewhat demoralizing," he said. "I've rated our effort from one game to another and I can't say the effort in this game was terrible. We just did not measure up to the team we played."

"They (Oilers) are making me more and more a believer that they will go out and play hard every week. This team is somewhat vulnerable to highs and lows and I'm concerned about the confi-dence factor."

When asked if Houston's man-agement still had confidence in him, Campbell said he doesn't see owner K.S. "Bud" Adams very much and he and General

Manager Ladd K. Herzog "are good terms as of half an hour ago."

In addition to the defense Campbell said the Oilers' offense needed to have more punch.

"For us to have won, we would've had to have been a most efficient offense," Campbell said.

Campbell also was asked if Quarterback Warren Moon would replace Warren Moon at quarterback Sunday when the Oilers visit Pittsburgh.

"We're not thinking about doing it next week," Campbell said. "We'd need a number of reasons more than just to do something different."
