

AGGIE BLOOD DRIVE

Donate Blood Today Life's Most Precious Resource

Will There Be Blood If You Need It?

... only if there's a volunteer donor to provide it.

Like yourself.

Blood has to come from another human being. It cannot be manufactured.

You can be that volunteer donor on November 5th-8th.

That's when the Texas A&M Blood Club has its blood drive.

Wadley Central Blood Bank is proud to have been associated with this 12th Man tradition of service to humanity during the past 26 years. We look forward to continuing to participate in the Texas A&M Blood Club drives for many years to come . . . and we join with all Texans in saluting this unparalleled gesture of generosity and concern for one's fellow man!
