

Cover: The movie "2010" will be coming soon to a theater near you. MGM invited Shawn Behlen (who is the resident "movie guy" with At Ease) to the west coast for an advance screening of the movie and Shawn (being no fool) accepted. He came back with information on "The men behind 2010," and (almost more importantly) information on what it's like to be wined and dined by the movers and shakers in the movie industry.
