**HEALTH NEWS**  
**ARTHRITIS**  
 By Dr. Stewart D. Stephenson, D.C.  
 Swelling, redness, and pain in the joints indicates inflammation. Your fingers may swell. Some people can't close their hands in the morning and walk around with pain in their feet and ankles. The above are some of the indicators you are suffering from arthritis. Unless properly cared for, you can expect degeneration of the joints, loss of motion and increasing pain. Drugs only hide the real condition but the Chiropractic treatment of relieving nerve pressure has been very beneficial in the treating of arthritis if caught in time.

The Stephenson Chiropractic Office asks "Why be sick when you can be well again." To find out if your problem is one that can be helped by Chiropractic, pick up the telephone now and call for an appointment with Dr. Stewart D. Stephenson, phone 779-1555 now.
