DECEMBER GRADUATES

GET SERIOUS. WE HAVE. MANAGER TRAINING PROGRAM

When Jack In The Box blew up the clown a few years back, it was more than just attention-getting advertising. It was a reflection of our commitment to being a serious contender in the highly competitive fast food industry.

With our new menu and aggressive expansion program, we're one of the leaders. Nationwide. Which means we have tremendous management opportunities. And while those opportunities begin with the management trainee level, they often lead to the top levels in our corporation.

In addition to opportunity, we also offer a sophisticated training program and topnotch benefits, including medical, dental and hospitalization, group life and accident insurance, long term disability, paid vacations and a new savings and investment/stock ownership plan.

So get as serious about your career as we are. Talk to us!
