A&M to host 'Big Kiss' for charity

By ELIZABETH MICKEY
Reporter

Texas A&M students and area residents will be stocking up with chapstick and mouthwash to prepare to break an unusual record on Valentines Day.

Kyle Field will be the site of the "Big Kiss," an attempt to break the world's record for the biggest kiss.

The event, which begins at 8:30 p.m. on Feb. 14, is sponsored by the Muscular Dystrophy Association, Student Government, the Residence

Hall Association and KKYS-FM. All proceeds will benefit MDA.

MDA Program Coordinator for the Bryan-College Station area Diane Maxwell says if more than \$20,000 is raised, Texas A&M will be eligible to send a representative to the Jerry Lewis Telethon in September.

The current record for the biggest kiss was set at Oregon State University in 1981, with 1,100 couples kissing for two minutes straight.

The goal for Texas A&M is 2,000 couples kissing for three minutes.

Registration begins on today, and the entrance fee is \$5 per person.

This fee includes a "Big Kiss" t-shirt for each participant and a "kiss kit" consisting of Hershey kisses, chapstick and various sample products for each couple.

Those wishing to participate may register at the Memorial Student Center, the Quad, the Commons or Sbis.

Area 7-Elevens will also serve as registration sites for high school students and the surrounding community.

FLU TREATMENT IS HERE

A study using the new drug Ribavirin is going on at the Beutel Health Center if you have Flu Symptoms

- Fever
- Muscle Aches
- Chills
- Sore Throat

Come to the health Center within the first 24 hours of illness and ask for the Flu Doctors (day or night-Flu Fighters don't sleep)

You may win a paid vacation (about \$112.00) in the Health Center

THE BIG EVENT

MARCH 2, 1985

GET ON THE FAST TRACK

There are a lot of fast-moving microelectronics companies you could join after graduation. But only one is on the leading edge of CMOS, MOS and Bipolar VLSI; in memories, logic and microprocessors.

Only one is the world's fastest-growing major integrated circuit company. Advanced Micro Devices.

Today AMD is the fifth largest IC company in the U.S. By 1990 our goal is to be Number One in the world!

Your BS, MS or PhD in Electrical Engineering, Solid State Physics, Materials Science or Computer Science could be your ticket to The Fast Track with AMD. Opportunities for graduating engineers are expanding rapidly at our Sunnyvale, California headquarters and at our Austin and San Antonio, Texas facilities.

On Campus Interviews
February 18, 1985

If our campus interview schedule is full, contact us directly. Send your resume to:
Tom Doyle, University Recruiting, Advanced Micro Devices, Dept. TAM-204, MS-57, 901 Thompson Place, P.O. Box 3453, Sunnyvale, California 94088. Or call TOLL FREE (800) 538-8450, ext. 2377.

An equal opportunity employer.
