Items for What's Up should be submitted to The Battalion, 216 Reed McDonald, no less than three days prior to desired publication date.

Cadets plan Elephant Bowl for Saturday

By MIKE DAVIS
Staff Writer

More than 85 senior cadets will take off their military uniforms and don football gear for the Elephant Bowl, Saturday at 2 p.m. on Kyle Field.

The full-fledged football game pits cadets against cadets with the proceeds of the game going to the Brazos County Boys Club.

Tom Kaczmarek, a senior engineering technology major from Florida, said Elephant Bowl is an annual football game between the seniors in the Corps of Cadets. Each year the Corps' four major units are separated and formed into two football teams. This year the Aggie Band and Wing (Air Force units) team will battle the Regiment (Navy/Marine) and Brigade (Army) team.

Kaczmarek, one of five coordinators for the event, said the teams began practicing for the game after spring break and have spent more than 75 hours in preparation for the contest.

Kaczmarek said in past years Student Government organized and funded Elephant Bowl, but this year, the Corps took on full responsibility for the event.

Most of the pads and equipment were donated about seven years ago, he said.

The Aggie Band Drum and Bugle Corps will play music for the game, though no half-time show will be performed. Corps freshmen were selected to serve as yell leaders and officers of the day.

A \$1 donation to the Brazos County Boys Club will be the cost of admission.

NOTICE

The College of Engineering will initiate an Enrollment Management Program effective fall semester 1985. Each currently enrolled eligible freshman student must apply to be considered for admission to the major degree sequence in the engineering major of his/her choice. Applications are available in the Engineering Program Office, room 141, Engineering Research Center, or in the Engineering Departments.
