Stars shoot into USFL playoffs

Defending champs peak at right time

Associated Press

Though they lost more games this season than they did in their first two years combined, the Baltimore Stars may be the team to fear when the USFL playoffs start this week-end.

The defending USFL champion Stars, 35-6 during their first two years in Philadelphia, finished this season at 10-7-1 and are seeded sixth among the league's eight playoff teams. But they've won five of their last six games, heading into their playoff opener next Monday at New Jersey, and seem to have regained their missing offense.

"We're playing better than we have all year," Stars' Coach Jim Mora said. "If we are peaking, we couldn't do it at a better time."

The USFL playoff format was set Monday night when Oakland beat Houston 31-21 in the league's final regular-season game.

The seventh-seeded Gamblers, without injured quarterback Jim Kelly, will open the quarterfinal round Saturday at second-seeded Birmingham. Third-seeded Denver will be at fifth-seeded Memphis and eighth-seeded Tampa Bay will play at top-seeded Oakland Sunday, followed by Monday night's contest between the fourth-seeded Generals and the sixth-seeded Stars.

But the real seedings for the playoffs have more to do with attendance than records for the financially troubled USFL, which dropped from an average attendance of 27,115 in 1984 to 24,452 this year. League officials say they want to "maximize" the potential revenue from the playoffs by drawing larger crowds.

Denver, for example, is seeded third and Memphis fifth because Denver qualified for the playoffs by finishing second in the Western Conference and Memphis qualified as a wild-card team from the East.

Rozier tells Oilers' fans he's not Earl Campbell

Associated Press

HOUSTON — The Houston Oilers of the National Football League have replaced a former Heisman Trophy winner with another by luring running back Mike Rozier away from the United States Football League with a four-year, \$2.25 million contract.

But Rozier said Tuesday he hopes the Oilers don't expect him to replace running back Earl Campbell, who was traded to the New Orleans Saints last year.

"I'm just Mike Rozier. I'm not Earl Campbell and I hope everybody doesn't think I'm going to fill Earl's shoes," Rozier told Houston radio station KIKK in a telephone interview from Philadelphia.

Monday, one day after scoring four touchdowns in the Jacksonville Bull's final regular season game, Rozier's agent, Art Wilkinson, announced that his client would jump leagues and join the Oilers.

"This is a chance for him to put a few more critics to bed," Wilkinson said. "It's a chance for him to become the first player in pro football history to put together two 1,000-yard seasons in the same calendar year."

Rozier, who set rushing records and won the 1983 Heisman Trophy while at the University of Nebraska, gained 1,361 yards this year in the USFL with Jacksonville, which tried

Mike Rozier during his 1983 Heisman year at Nebraska.

to retain Rozier with an offer that included \$1 million in real estate.

Houston obtained NFL rights to the former All-American in a supplemental draft of USFL players in June 1984.

Negotiations between Wilkinson and Oilers General Manager Ladd Herzog broke off in August with a

four-year, \$3.2 million deal on the table. Rozier signed with Jacksonville in February.

Wilkinson said that he and Rozier walked away three times and said they weren't coming back. But on each occasion, Rozier played well in the next game, "and we got the call the following week," Wilkinson said.

Rozier is expected to be in Houston later this week for a physical examination and to read over the contract, Herzog said. According to the terms of the proposal, Rozier would be paid in full over the life of the contract.

"I'm very pleased because Mike's a talented player who is coming off a great season with Jacksonville, but I'm going to be cautious until his signature is on a contract," Herzog said.

Rozier, 24, of Camden, N.J., won the Heisman, Maxwell and Walter Camp trophies in 1983, when he set Nebraska and Big Eight Conference rushing records. He then signed with the Pittsburgh Maulers of the USFL and played with them in 1984 under a personal service contract with team owner Edward DeBartolo Sr.

He blamed ankle problems for his sub-par season with the Maulers, who folded after the 1984 season.

The Oilers finished 23rd among the 28 NFL teams in rushing last season, and Coach Hugh Campbell is trying to beef up Houston's attack.
