SWC Picture

(continued from page 11)

their season seven weeks early and the Cougars never started theirs.
 Houston, 1-4 overall, should win because SMU, which stands 2-2 on the season, is the only thing hated in the SWC more than NCAA investigators — Cougars 24, Mustangs 21.

TCU at North Texas State

(Amon Carter Stadium in Ft. Worth — 2 p.m.)

About the only question asked more than, "What's happened to SMU?" is, "How bad is TCU?"

The Rice Owls can answer that one — TCU is really, really bad.

These Frogs are a throwback to their earlier years, when gas

was 20 cents a gallon and cars weren't quite as costly.

The days when football players were students first and athletes second.

When scandals were for movie stars and politicians, not collegiate football players.

Come to think of it, TCU was really, really bad back then, too — **Eagles 21, Horned Frogs 17.**

Rice at Texas Tech (Jones Stadium in Lubbock — noon — Raycom Sports)

A boring game? A meaningless sludge-fest?

The putrid passers against the raunchy runners? The type of game that illustrates the lack of real parity in the conference?

All of these questions would be valid, were it not for one im-

portant fact — this one is Saturday's Raycom Game of the Week!

Bud Wilkinson handles the color commentary, while Herve Villechaize takes time from his busy career to do the play-by-play.

Makes you almost want to turn the channel and watch "The Smurfs" — **Red Raiders 30, Owls 28.**
