Get With The Marketing Program That Puts You To Work.

Only the University of Georgia offers a Brand Management Masters program that puts you in the workplace before you graduate. After nine months of intensive course work, you'll work as a salaried intern for a company like Coca-Cola, Scott Paper, Frito-Lay or McCann-Erickson. And you'll have the preparation you need to perform well during your internship, because we developed the curriculum in cooperation with our Board of Advisors, all leaders in the marketing industry.

No other program offers you the opportunity to turn specialized training into a working knowledge of brand management. And that's what will give you the edge in today's highly competitive job market.

Look into the Masters of Brand Management Program at the University of Georgia. It could be the smartest business decision you'll ever make. Scholarships of \$6,000 are available to qualified applicants.

Ag swim teams start season with splash, win home meet

By **KEN SURY**
Sports Writer

Though it's the beginning of the 1985-86 season, the Texas A&M swim teams appear to be already in championship form.

On Friday, both the A&M men's and women's teams finished in second place behind the University of Texas in the Southwest Conference Relays. Saturday the Aggies won a three-way dual meet (both men's and women's teams in competition) over Arkansas and Texas Tech.

A&M Coach Mel Nash said he was pleased with the teams' performances this weekend, especially at the SWC Relays.

"In our case when you go to the Relay meet and you beat everybody but Texas, you think that as (being) undefeated. We feel great.

"It's the first time our men's team has beat SMU in 31 years, so that in itself is like, 'Hey, you know, maybe we're for real.'

"They (both teams) just swam great this weekend. Now we go back and see if we're doing everything right and keep it going.

One swimmer who stood out in the meet was freshman Suzanne Fiori, who set an A&M record in the 1,000-yard freestyle race. Her time of 10 minutes, 20.25 seconds shaved 13 seconds off the old mark, set last year by Eileen Walker.

Nash said he had expected Fiori to swim well in the 1,000-yard freestyle, but also was pleased by her second place finish in the 500-yard freestyle and third in the 200-yard backstroke — which, he said, are the three most grueling swimming events.

Fiori was not expected to swim so well this early in the season, Nash said.

Contestants in the 200-yard butterfly race leave their platforms in a blur of motion during Saturday's swim meet at Texas A&M. Swimming for the Aggies was Suzanne Fiori, third from left.

White says season not surprising

Cowboys QB evaluates Cards

Associated Press

ST. LOUIS — Dallas Cowboys quarterback Danny White isn't surprised that the St. Louis Cardinals, considered a preseason title contender, have come upon tough times during the 1985 National Football League season.

"I've seen that happen to our team, I've seen that happen to other teams," said White, who is hoping to add to St. Louis' miseries tonight. "It's something that happens quite a bit, especially when you start finding yourself in the upper echelon."

The Cards, 3-5 following three straight defeats, probably will have a patched-up lineup against Dallas, 6-2.

Running back Otis Anderson, who missed last week's game because of a sore toe, suffered a recurrence of the injury Saturday. All-Pro wide receiver Roy Green is limping with a banged-up leg. And rookie Lance Smith may start at right offensive

tackle in place of Tootie Robbins, who has a pulled hamstring.

However, White said, "None of us think the Cardinals are dead. They are a dangerous football team, and there's no doubt they will be back on top before long. We just hope we can get them while they're struggling a little."

In an effort to revive a sagging passing attack, St. Louis has brought back former quarterback coach Harry Gilmer to work with Neil Lomax.

"Our timing hasn't been quite what it was last year," said Gilmer, who had been serving as a Cards' scout. "That's what I'm going to be looking at — situations to try and remedy."

Last week, during a 20-10 loss to the Houston Oilers, the Cardinals' problems also involved letdowns by the special teams that resulted in two deflected punts and three missed field goals by veteran Neil O'Donoghue.

Afterward, O'Donoghue was re-

Dallas QB Danny White

The Cowboys, meanwhile, rebounded from a 16-14 loss to the Philadelphia Eagles two weeks ago with a 24-10 victory over the Atlanta Falcons last week.

White, now firmly entrenched as Dallas' No. 1 quarterback, recovered from bruised ribs to key a Cowboys offense that gained 461 yards. Tom Hill caught 10 of White's passes, and Tony Dorsett raced 60 yards for a touchdown, giving him 10,272 career rushing yards.

"Everyone has an excellent attitude, and they're working hard. I guess that's the reason for it," Dallas Coach Tom Landry said of his team's No. 1 position in the National Conference East.

St. Louis, although able to beat Dallas only twice in their last 11 meetings, usually has proven tough for the Cowboys.

"They've got too many good players and good people in that organization to stay down for very long," White said of the Cards.

Oilers victorious over Kansas Chiefs; saved by field goal in last 14 seconds

Associated Press

HOUSTON — Tony Zendejas kicked a 38-yard field goal with 14 seconds to play Sunday to give the Houston Oilers to a 23-20 victory over the Kansas City Chiefs and a share of the American Football Conference Central Division lead.

The Oilers, who led 20-6 going into the fourth quarter, got their chance at victory by driving 57 yards in the final two minutes.

Quarterback Warren Moon hit tight end Jamie Williams with a key third-down pass, and a holding penalty against Kansas City's Albert Lewis kept the drive alive.

Moon then hit wide receiver Tim Smith with a 24-yard pass to set up Zendejas' winning kick.

Houston, 4-5, won its third straight game for the first time since closing out the 1980 season with three consecutive wins. The Chiefs, 3-6, extended their losing string to five.

The Oilers took a 6-3 halftime lead on Moon's 17-yard pass to Drew Hill and built it into a 20-6 bulge on Moon's 3-yard touchdown pass to

Chris Dressel and a 3-yard scoring run by Butch Woolfolk.

But Bill Kenney rallied the Chiefs to a 20-20 deadlock with 4:34 to play on touchdown passes of six yards to Herman Heard with 13:40 to play and 18 yards to Stephone Paige with 4:34 to go.

Kansas City's Nick Lowery kicked two field goals, including a 35-

yarder in the second quarter and a 39-yarder in the third quarter.

The game appeared headed for a scoreless tie at the half until Moon flipped a third-down pass to Hill in the end zone with 3:07 to go in the second quarter.

The Chiefs, aided by a 31-yard run by Heard, got on the scoreboard with a 35-yard field goal by Lowery

Oiler QB Warren Moon

with 29 seconds left in the first half.

Houston missed two first-half scoring chances when Kansas City stopped the Oilers on fourth down at the Chiefs' 1 in the first quarter and Tony Zendejas missed a 39-yard field goal attempt in the second period.

The Chiefs drove to Houston's 15 in the first quarter and Lowery missed a 32-yard field goal attempt.

Kansas City pulled to a 20-13 deficit on Heard's 6-yard touchdown catch that followed a 27-yard pass interference penalty against Houston's Patrick Allen.

The Chiefs tied the game on Paige's 18-yard touchdown reception. Kenney keyed the drive on a pass of 25 yards to Heard and a pass of 17 yards to Carlos Carson. Carson's catch came on third-and-16 at Houston's 35.

Heard's 31-yard run to set up Lowery's second quarter field goal was the longest run from scrimmage by the Chiefs this season.

Woolfolk finished with 101 yards rushing on 14 carries, while Moon completed 24 of 35 passes for 255 yards.
