Students give audit reports

of B-CS retailers

By TRACEY BABER Reporter

Six teams presented their audit reports of local retailers in the Stan-Marcus Retailing Communications Award finals Tuesday.

Dr. Leonard Berry, director for the Center for Retailing Studies, said, "The competition is designed to nurture students' communication

Stanley Marcus, of Nieman-Marcus department stores, created the award last year to encourage stu-dents to further develop the verbal and written communication skills required by the retailing environment,

At the Career Fair awards luncheon Monday, scholarships of \$500, \$250 and \$100 will be given to the first-, second-and third-place deepen the involvement of the Cen-

teams respectively.

After the presentations, Berrycalled attention to what he thoughtwere two important characteristics of the competition.

"It calls attention to the importance of communication skills," Berry said. "It's criminal how many students graduate from high school or college with poor communication

board's decision to increase premiums by 30.7

"I have a letter from U.S. Senator (Lloyd)

Bentsen, from one of his supporters who said he has paid out only \$300 in claims the last 10 years

yet he will have to pay a \$10,000 premium for workers comp this year," said Roy Evans, a com-

mittee member who is an employee of the U.S.

Texas is only one of three states in which

Associated Press

AUSTIN - State Board of Insurance Chairman Lyndon Olson said Wednesday the controversial 30.7 percent rate increase in workers' compensation insurance was necessary to keep more Texas insurance companies from going

"That was the hardest vote I have ever had to cast since I have been on the board," Olson, a member of the board since 1978, told the House Committee on Workers' Compensation. "We felt

we acted responsibly.

Olson said the industry wanted a 40.8 percent increase.

He was the first witness before the House study group assigned the task of deciding what, if anything, the 1987 Legislature should do about what many call a crisis in the liability in-

surance industry.

Rep. Richard Smith, R-Bryan, committee chairman, said, "It is up to us to decide if we reconstructed and the chairman of state laws or a major ommend a fine-tuning of state laws or a major rewrite. We cannot tell at this point.'

workers' compensation insurance is not manda-

In 1984, there were 337 insurance companies writing workers' compensation. Olson said a re-cent survey showed that only 294 of the 615 companies licensed to write workers' compensation are actually issuing policies.

"In the calendar year 1984, the companies writing this line of business wrote

ance premiums, which is some \$24 m than 1982," Olson said.

In 1985 "interest rates went down tion increased, damage awards incre frankly all hell broke loose," Olson said Smith said the committee would meet March 4 in Austin to hear from the public and the industry before public hearings in Houston,

The squeeze in workers' compensa ance is just part of the worldwide of eral liability insurance, Olson said. Complicating the situation, Olsons

fact that reinsurance firms, many oft seas, are refusing to reinsure policies Olson said Lloyds of London for

insured as much as 60 percent of the written in Texas but now much of the ance business has been taken over by He told the committee that 2 percentages

2 Latin American leaders to discuss oil price

Associated Press

MEXICO CITY — The presidents of Mexico, Miguel de la Madrid, and of Venezuela, Jaime Lusinchi, will meet Thursday in the Mexican resort of Cancun to discuss the effects sliding oil prices will have on their nation's economies.

Government sources here say the

two leaders will explore ways of cooperating to defend prices and seek agreement on new price cuts to keep

up with those on the world market.
The sources said the new prices may be announced Thursday or Friday. Petroleum is the major source barrels daily and Venezuela about foreign debts. of foreign exchange for both nations, the two top oil producers in about \$14 billion in oil revenue this Venezuela's foreign debts

Mexican and Venezuelan eco- earnings of \$10.3 billion. nomic policies coincide in many aspects, and both countries have re-duced their crude oil prices by \$2 a the two countries will be

year, while Venezuela projects 1986 \$33.5 billion.
