A&M track garners one first Barnes upsets defending champion in shot

By TOM TAGLIABUE
Sports Writer

OKLAHOMA CITY — Randy Barnes, Texas A&M's big freshman shot putter, took home the Aggies' only first-place finish at the Oklahoma City Classic indoor track and field meet with a put of 62 feet, 11 3/4 inches.

Barnes, who won his event for the second week in a row, defeated the defending Southwest Conference shot put champion Marty Kobza of Arkansas.

A&M's Head Track Coach Charlie Thomas said it was who Barnes beat, not how far he threw, that was important.

"He beat the SWC champion and that was the main thing," Thomas said. "It should give him a lot of confidence going into the (SWC) meet next week. He met (Kobza) head up and he beat him. That is pretty good for a freshman to beat the conference champion."

Ian James finished third in the long jump, with a leap of 25-2 3/4. Ernie Mendez jumped 6-11, good enough to net him fourth place in the high jump.

Three Aggies placed in the 60-yard dash — Floyd

Heard (4th), Stanley Kerr (6th) and Lawrence Feltz (7th).

The Aggie women scored only one point as the Drees placed fifth in the 3,000-yard run. Brandy Stoblefield just missed getting points in the high jump when she finished seventh.

Thomas said the Aggies had to answer some questions before the SWC meet, like who would compete what event.

Freshman Calvin Gaziano was searching for an event and although he placed fifth this weekend in the 1,000-yard run, Thomas said Gaziano will run both the mile and the two-mile in the conference meet.

There are also questions as to which race or races Dunn and Wesley will compete in.

Dunn, who placed fourth in the 1,000 this weekend and was part of the mile relay team that placed fifth with a time of 3:16.34, could run in either of these races or the two-mile relay, Thomas said.

Wesley, who is a member of the mile relay team, could run in the 600-yard dash, the two-mile relay or the mile relay.

East's Piston sparks all-star victory

DALLAS — In an NBA All-Star game dominated by images of spectacular dunks, passes and layups, the cool efficiency of 6-foot-1 Isiah Thomas prevailed.

"This was Isiah's type of game," said West Coast Coach Pat Riley after Thomas led the East to a 139-132 victory Sunday. "His nature is to attack and he creates so many opportunities when he penetrates."

The Detroit Pistons' star guard scored 12 of his game-high 30 points in the fourth quarter, four of them during a decisive 8-0 spurt late in the game. He was named unanimously as the game's Most Valuable Player, an award he also won in 1984.

"To have all the best basketball players in the world here and to be named the best of those is almost unreal to me," said Thomas, who also had 10 assists. "I can't describe the feeling. I'm very emotional."

East Coach K.C. Jones of the Boston Celtics said, "This man is a small package of dynamite. He handled each department like a piece of cake."

The victory gave the East a 24-12 bulge in the all-time All-Star series. The West has lost six of the last seven contests.

Down the stretch, Thomas played with four teammates 6-foot-9 or above, negating the West's advantage of Thomas having to guard 6-9 Earvin "Magic" Johnson.

Johnson had 15 assists, 10 of them in the first half as he and James

Worthy wowed a sellout crowd of 16,573 at Reunion Arena. But Johnson was hampered by foul trouble in the second half.

"This kind of game is tailor-made for Isiah," Johnson said. "When in the open court, nobody can contain him or stop him."

Thomas said of Johnson, "Playing against Magic is hard and it's fun. He's so good, it's extremely difficult but it makes the game so exciting."

Larry Bird added 23 points and seven steals for the East, while Magic Malone had 13 rebounds and 11 points, seven of them in the fourth quarter as the stronger East eventually pushed the ball inside. Sidney Moncrief also had 16 points for the East.

Penberthy Softball

Softball season is soon upon us and it's not too early to begin thinking about those weekend tournaments. The Intramural-Recreational Sports Office is sponsoring its annual double elimination slowpitch softball tournament. The Penberthy Softball Tournament is named after Walter L. "Penny" Penberthy, the father of intramurals at Texas A&M.

Although entries for this tournament open Friday, February 14, teams have until Tuesday, April 1 to get their teams together. The tournament will be held the weekend of April 4 and 5. All Texas A&M students, faculty, staff and spouses are eligible to play if they meet the eligibility requirements in the Intramural Calendar. All intramural rules and regulations apply in this tournament including the rule in which participants may play on one men's or one women's team and one corec team; however, teams do not have to be composed of the same players that are on the team playing in the regular season tournament.

There will be divisions offered in Men's A & B, Women's Open and Corec Open although no division will be offered unless 8 or more teams sign up for that particular division. Awards this year are the best ever! Bat bags will be awarded to the champions of Men's A, Women's Open and Corec Open divisions. The Men's B champion and runner-ups in the other three divisions will receive t-shirts. In addition, players who hit homeruns will receive a card good for a quarter-pounder at McDonald's while supplies last.

Cost for the tournament is \$40.00 per team. Get those teams together so you can join the fun, too!
