## A&M men netters win in Arizona

It was short, but sweet for the Texas A&M men's tennis team Sunday as it knocked off host Arizona to win the Arizona Team Tournament. Due to rain delays earlier in the tournament and A&M needing to catch a plane home, it was decided to stop finals play when either A&M or Arizona first earned five match victories. The Aggies won five straight singles matches to claim the win. "We played our best tennis yet this season today," A&M Men's Tennis Coach David Kent said. "This team is simply getting better all the time." A&M beat New Mexico and lost to Wichita State earlier in the tourney, while Arizona beat both teams to set up Sunday's final.

The A&M women's team, meanwhile, were in the South Friday and Saturday for matches with Tulane and South Alabama. Friday, A&M was leading Tulane 2-0, when rain forced cancellation of the remaining matches. Saturday, South Alabama defeated A&M 6-3 as singles play fell apart for the Aggie women.

"We're not making the same mistakes twice," A&M Women's Tennis Coach Bobby Kleinecke said. "We're just making new ones. But that's what these matches before conference (play) are for." The A&M women host Lamar Tuesday at 1:30 p.m. at the Omar Smith Tennis Center.

## Bulls drop sixth straight, fall to Mavericks 120-114

**CHICAGO**—Rolando Blackman scored 13 fourth-quarter points — including a pair of baskets and three free throws in the final two minutes — to lift the Dallas Mavericks to a 120-114 triumph over the Chicago Bulls Sunday.

Blackman, who finished with a team-high 28 points, gave the Mavericks a 109-106 lead with 2:53 left. After Chicago's George Gervin hit a jumper, reserve guard Brad Davis and Blackman then combined for six straight points to put the game out of reach.

The Bulls, losing for the sixth straight time, were led by Charles Oakley who had 28 points and 15 re-

bounds and Gervin, who contributed 24 points.

## Twelfth Man set to tackle '86 head on

An organizational meeting for all students interested in trying out for the 1986 Texas A&M Twelfth Man kickoff team will be Wednesday at 4 p.m. at the football locker room under the west stands of Kyle Field.

"Statistically we were the top kickoff coverage team in the Southwest Conference last year," Twelfth Man Coach Roy Kokemoor, a former assistant at A&M Consolidated, said. "It went hand-in-hand with the team's success and these guys have a great feeling about what they accomplished."

Kokemoor stressed that the idea of the Twelfth Man team is that everybody has a shot at it. "That's what the organizational meeting is for," Kokemoor said. "We want to get names and find out who's interested, then give some information about tryouts."

The Twelfth Man kickoff team was the idea of A&M Coach Jackie Sherrill. It was and still is an opportunity for any member of the student body to try out for the Aggie football team.

Besides serving as the kickoff coverage team for home games, the team attends and works at every practice.

The first Twelfth Man team in 1983 covered just ten kickoffs and allowed 13.1 yards per try.

In 1984, the team covered 25 kicks and allowed an average of 16.6 yards.

This year, due to the record-setting Texas A&M offense, the team covered 28 kickoffs and allowed just 14.2 yards per return by the opponents.

The SWC championship year also saw a first when the Twelfth Man

A&M's Twelfth Man kickoff team stops a runner in his tracks last season. The '86 team begins with

made the last two road trips of the year, against TCU and against Auburn in the Cotton Bowl.

"Being on the Twelfth Man meant a lot more than just covering kickoffs," Twelfth Man Captain Dennis Mudd, a senior from Yoakum, said. "It meant helping to contribute to the team's success on Saturdays, but it also enabled me to obtain a greater understanding of just how special Texas A&M spirit really is."

"To me, the most important aspect was being able to stand on the field and know are playing and representing every Aggie all over the world, and that no matter what happens, you are supported 100 percent."

In 1985 the Twelfth Man surely was the most publicized specialty team in the country. Through ESPN's coverage of three Aggie home games, analyst Paul Maguire

came to be one of the team's biggest fans.

"You bet I am," Maguire said. "The most unique aspect of the college game to come around in a long time. I'm not kidding. That's the toughest, toughest college specialty team in the country."

"But the most important thing about it is that it symbolizes giving the college game back to the student body where it belongs."
