HELP WANTED

Window Office Available For Upwardly Mobile Young Executive.

A window office like this is waiting for you as pilot in the Navy. You may fly anything from the latest jets to helicopters. Whatever your window office, it comes with a clear view of a bright future.

As a Navy officer, you get leadership and management responsibility fast. As a Navy pilot, you get all the flight training, navigation and aerodynamics know-how you need to make that responsibility pay off.

It's a big challenge with big rewards. First of all, you're a Navy pilot. And after only four years you'll be earning over \$30,000. Plus there is an outstanding benefits package: 30 days paid vacation earned each year, low-cost life insurance, and many tax-free allowances.

To qualify, you must have a BS or a BA, be 28 or younger, pass aptitude and physical exams, qualify for security clearance and be willing to relocate. U.S. citizenship is required.

To apply for one of our window offices, call collect: (713)226-2445. A Navy representative will be on campus April 2 and 15. Call for an appointment.
