## Israeli leaders deny funneling arms sale funds to Nicaragua

JERUSALEM (AP) — Israeli leaders Tuesday denied new assertions that their country si- phoned funds from arms deals with Iran to Nicaragua rebels. Foreign Minister Shimon Peres called the reports "complete falsehood."  
Denials from top government officials put Israel in apparent conflict with President Reagan, who was quoted in Time magazine as saying a third country channeled money to the rebels from inflated prices Iran paid for weapons.  
Newspapers quoted American officials as say- ing Reagan meant Israel, which has acknowl- edged secretly shipping U.S. arms to Iran but has denied handling payments to the Contras.  
Defense Minister Yitzhak Rabin told Parlia- ment during a 45-minute debate, "The Israeli government doesn't maintain contact or ties or supply weapons from here to the rebels in Nicaragua. It has not given approval for any Israeli to assist, supply know-how or weapons from Israel to the rebels."  
He was replying to opposition demands for

parliamentary supervision of Israel's extensive arms business.  
The U.S. Justice Department informally has told Prime Minister Yitzhak Shamir's govern- ment that it will seek to question some Israelis in an investigation of the Iranian arms deal, offi- cials said privately.  
They said Israel has promised to cooperate with U.S. investigators.  
Israel seeks clarification from Washington on the Reagan remarks published in Time, an Is- raeli legislator said. He spoke on condition of an- onymity and would not elaborate.  
The magazine quoted Reagan as saying: "An- other country was facilitating those sales of weap- ons systems. They then were overcharging and were apparently putting the money into bank ac- counts of the leaders of the Contras. It wasn't us funneling money to them. This was another country."  
Israeli radio said U.S. Attorney General Edwin Meese III told Ambassador Meir Rosenne in Washington that the United States was not accus-

ing Israel of routing funds to the Contras. Meir Rosenne telephoned Meese to repeat Israeli's position that it had no connection with the rebels.  
Shamir said on Israel radio Tuesday, "I don't know what Reagan said, Israel would not do its declaration that it had nothing to do with the rebels "because that is the truth."  
Peres professed to be "shocked" by the al- legations of Israeli involvement in transfers of funds, which he called "complete falsehood."  
The arms sales to Iran caused much less in- terest in the U.S. Congress, but the legisla- tive branch has demanded an explanation of the alleged Contra connection.  
A report in Haaretz newspaper said Shamir's Secretary of State George P. Shultz re- peating his statement of last week that Israel "passed no money to the Contras."  
Other Israeli officials refused to discuss the issue and indicated they were awaiting an ex- planation of Reagan's remarks. "We're trying to get him a way to quietly step out of it," one said, "condition that his name not be used."

## City becomes battleground as Hindus fight Sikhs in India

NEW DELHI, India (AP) — Mobs of Hindus angered by Sikh terrorism rampaged through the capital Tuesday and battled Sikhs outside their temples. Police reported 1,500 arrests as they struggled to control the 16,000 Hindu rioters.  
Bloodied protesters were seen at several confrontations with club- swinging police, but there was no im- mediate figure on the total number of injured.  
Sikhs and Hindus also battled outside a Sikh temple in east Delhi, and police fought battles in other areas with Hindu rioters who threw stones, blocked roads and set fires.  
The army was put on alert after a meeting of military and government officials, and police cars with loud- speakers cruised the city's neighbor- hoods at nightfall warning people to stay inside.  
General strikes or other protests were declared in six Indian states Tuesday, but widespread violence developed only in New Delhi, where 7,000 extra police and paramilitary troops were called in.  
In Parliament, lawmakers shouted protests for a second day against the

"They challenged us," temple spo- keman Hardeep Singh said to ex- plain why 150 Sikhs came out of the shrine with ceremonial swords to confront 8,000 Hindu protesters.  
The street in front of the temple was littered with rocks and broken bricks after the battle and a curfew was declared in the area Tuesday night.

General strikes or other protests were declared in six Indian states Tuesday, but widespread violence developed only in New Delhi, where 7,000 extra police and paramilitary troops were called in.  
In Parliament, lawmakers shouted protests for a second day against the

terrorist actions of Sikhs who de- mand an independent nation in Punjab.  
Home Minister Buta Singh was jeered by opposition members as he tried to explain that Punjab's police were ill-equipped to fight terrorists "aided by Pakistan." The neigh- boring nation has denied claims it is behind the violence.  
Sikhs make up about 2 percent of India's 780 million people but form a majority in Punjab, a rich farming state.  
The militants demand an inde- pendent Sikh nation they call "Khal- istan," which means "land of the pure" in the Punjabi language. Many moderate Sikhs also want more au- tonomy.  
The persistent Punjab attacks have embarrassed Prime Minister Rajiv Gandhi, who signed an accord with moderate Sikhs intended to quell the violence.  
Gandhi came to power in October 1984 amid anti-Sikh riots set off by the assassination of his mother, then Prime Minister Indira Gandhi.

## Index posts 0.6% rise in October

WASHINGTON (AP) — The government said Tuesday its barometer of future economic ac- tivity posted its best advance in three months, but private analysts said the 0.6 percent October increase was not enough to sway them from the belief that economic prospects remain sluggish.  
The Commerce Department said the October rise in the Index of Leading Indicators followed a 1.1 percent September increase and a decline of 0.2 percent in August.  
The October advance in the lead- ing index was the largest monthly gain since a 1 percent rise in July, but private analysts said the in- crease was swayed by special factors that did not reflect underlying strength.  
They noted that six of 11 of the forward-pointing statistics which make up the index actually declined in October with the weakness reflect- ing continued problems for Amer- ica's battered manufacturing sector.

## Hospital costs increase, but length of stay is down

WASHINGTON (AP) — Hospital charges jumped 7.5 percent last year despite cost-containment efforts and a decline in the average stay from 6.6 days to 6.4 days, according to a private study released Tuesday.  
The average patient's bill per stay increased from \$3,571 in 1984 to \$3,840 last year, according to the study by Equicor, a joint venture of the Hospital Corporation of Amer- ica and the Equitable Group and Health Insurance Company.  
Joseph C. Hutts, chief operating officer of Equicor explained the findings. "Greater movement of pa- tients to outpatient treatment facili- ties, the growing use of home care, new medical technologies and proce- dures, and increasing hospital effi-

ciency have all contributed to the overall decline in the length of hos- pital stays."  
"While the decreasing length of stay is having a significant impact on containment of overall health care costs, hospital charges in most states are still sharply increasing," Hutts said in a statement.  
The study showed wide variations in hospital costs, from a 34 percent increase in Louisiana to a 26.8 per- cent decline in South Dakota.  
Shorter patient stays results from changes in reimbursement under Medicare that began in 1983. Under the system being phased in by Medi- care, hospitals are paid according to a schedule of fees to treat specific ill- nesses regardless of length of stay.

## Actor Desi Arnaz dies of lung cancer at 69

HOLLYWOOD (AP) — Desi Arnaz, the Cuban-born singer- bandleader beloved by genera- tions of TV viewers as Lucille Ball's harassed husband Ricky Ri- cardo on the "I Love Lucy" show, died of lung cancer Tuesday. He was 69.  
Arnaz, who was married to Ball for 20 years before their divorce in 1960 and became one of tele- vision's most successful produc- ers, died at his home in San Diego County just after midnight.  
Daughter Lucie Arnaz Luckinbill was at his side, reading prayers, publicist Charlie Pomerantz said. "He was the father of my chil-

dren and we were always friends, always very friendly and close," Ball said. "I was down there last week. We've talked all the time, through the years. Lucie, our daughter, was with him. He died in her arms last night."  
"(We are) very elated that he's out of his misery. He suffered a lot. We have prayed for his bene- free of pain."  
Arnaz pioneered the three- camera technique, widespread to- day, in which three cameras si- multaneously filmed the "Lucy" show from different angles, with a final program combined later.
