#### **House OKs** ban on court disclosures

AUSTIN (AP) - The House tentatively approved Tuesday, without debate, a bill making it a felony to knowingly disclose prematurely the contents of an appellate court decision or opinion.

A final vote is needed in the

The measure, by Rep. John Smithee, R-Amarillo, was amended by

Smithee to provide that a violation must be "knowingly and deliberate."

There was no discussion or debate of the bill before the voice vote.

The bill was introduced after published reports several months ago that some Texas Supreme Court decisions were leaked to attorneys prior to their official release in the courtroom. Smithee's bill would add the offense to a present provision that makes it a third-degree felony for public servants to use unreleased official information for their own good or for others.

Punishment could be two to 10 years imprisonment and a fine up to \$5,000.

## **Blood drive hits A&M early** to beat spring break 'drain

By Jessica Brown Reporter

"Donate before you vacate," this semester's blood drive theme, is an attempt to get students to give blood before they leave for spring break, Tonja Scheer, blood drive co-chair-man for Omega Phi Alpha, said.

The catchy phrase is based on the theory that students return from their spring break more physically drained than they were before the break. And for many students, the eight remaining weeks of school are too hectic for benevolence of donat-

ing.
The blood drive started Monday and will last through Thursday.

Students can donate at four loca tions around campus — the Commons, the Memorial Student Center, the Fish Pond and the Zachry Engineering Center.

Margie Boswell, blood drive chairman for Student Government, wants to educate those who do not believe their donation can benefit them

Boswell said, "provides special help for A&M students, former students, faculty and family when in need of faintness or nausea.'

If taken to a Wadley-based hospital, she said, the A&M-related patient will be reimbursed \$10 - the replacement fee - for each pint of blood used. Insurance usually covers the remaining \$48 for each pint Boswell added that for those

A&M-related patients with no medical insurance, Wadley will pay the full amount. Wadley also will pay the full cost of the blood if the patient is not taken to a Wadley-based hospi-
