For Your Convenience.....

COPIERS: Coin operated copy machines are located in each departmental area and on each floor in the Library. The photo copiers are operated and maintained by the Copy Center in Room 112 of the Library. If you need extensive copying done, the Copy Center will do this for you with price based on number of copies needed.

CHANGE MACHINES: One-dollar-bill change machines are located on the first floor near the Reference Desk and in the vending area. These machines are maintained by the Copy Center. On evenings and weekends the machines are heavily used so it is a good idea to bring change with you if you plan to use the photo copy machines.

STUDENT LOUNGE: The Student Lounge is located on the west side of the second floor of the Library. Soft drink and snack vending machines are available. No food or drink is permitted outside this area.

TYPEWRITERS: Several coin-operated typewriters are available in Room 310. If you have problems with equipment go to the Administration Office on the second floor.

GROUP STUDY ROOMS: A number of group study rooms are available on a first-come, first served basis. Please call the Administration Office if you wish to reserve a room.

TELEPHONES: The telephone lobby on the first floor houses four free telephones for local calls and two pay phones.

LOCKERS: Seniors and graduate students may rent lockers located on the third through sixth floors of the library. The cost is a \$1.00 key deposit. The Administration Office, Room 200 handles locker rentals.

Special Services For Graduate Students

GRADUATE STUDENT INSTRUCTION: Make an appointment in the Reference Offices and get a personalized tour of the facilities and a demonstration of the specific indexes, abstracts and other sources which apply to your area of study.

CIRCULATION PRIVILEGES: Graduate students may check books out for one month at a time. Fill out a card at the Circulation Desk to take advantage of this service. Grad students can also renew their books by telephone.

INTERLIBRARY SERVICES: When resources you need are not available in our Library, items can be borrowed through interlibrary loan from other libraries in the United States and some foreign countries. Depending on the material needed, a request may be filled within a range of less than a week to many weeks; about two weeks is average. Many items can be obtained free of charge, but any charges for loans and photocopies levied by the lending institution are passed on to the user. Fill out an interlibrary loan request in the Interlibrary Services office, Room 211.

STUDY CARRELS: Graduate students working on a thesis or dissertation, or studying for orals, are eligible to apply for a locked study carrel. Carrels are assigned on a first-come, first served basis. A key deposit of \$5.00 is charged for carrels. The Administration Office, Room 200, handles carrel assignments.

STERLING C. EVANS LIBRARY

Your Guide to Sources & Services

Texas A&M University
Fall 1987

Howdy!

Welcome to Sterling C. Evans Library. As the major information resource for students and faculty at Texas A&M, the Library has more than 1.6 million volumes available for your use. But we're more than books. From films to federal documents, from maps to microcomputers, Evans Library offers a wide variety of materials to meet the demands of users in a changing society.

Technology is changing the way people find and use information, making computerized data retrieval a necessity in today's library. At Evans Library, our users not only search printed sources and indexes, they also use the latest laser disk technology to retrieve information within seconds or search hundreds of online databases providing access to literally millions of sources.

This array of materials, services, equipment and policies may seem overwhelming. But learning to use the library is a skill, and like any skill, once you have a knowledge of the basics and practice a bit, it can be mastered. Hopefully, this guide will serve as a first step in acquiring those skills. This brief introduction to Evans Library includes basics of library use, descriptions of special services, library hours and the location and telephone numbers of the different departments. Tours, lectures and hundreds of other instructional handouts are also available. Your success as a library user depends on your ability and perseverance to find just the information you seek. We want you to be a success at Evans Library!
