*We've got the largest selection in the Southwest!*

*Those Levi's Dockers... everything you've heard is true. Especially the part about comfort. Dockers are cut fuller in the seat and thighs so they fit you... perfectly. Constructed of easy-wearing 100% cotton and cotton/linen blends, Dockers come in your favorite fabrics of twill, chambray, sheeting, pebble cloth and more. Giving you an alternative to times when jeans aren't enough and dress slacks are too much. Machine washable and dryable. Made in the U.S.A. and imported. Waist sizes 30-38. 32.00-39.00. In Men's Casual Slacks.*
