Voters' Guide.

Supplement to *The Battalion*

About this guide

The purpose of this Voters' Guide supplement to *The Battalion* is to provide students with the information they need to make an informed decision about the candidates in Wednesday's stu-

dent body elections.

Candidates submitted statements, which appear in this guide. The statements were edited for grammar and style, but every effort was made

to maintain the content. The staff of *The Battalion* hopes this guide proves useful in helping evaluate candidates.
