

Macintosh™ at A&M

"A computer should be powerful enough to handle a wide range of applications. And at the same time be easy to use. For presentation graphics, word processing, data acquisition, CAD, advertising layout and data analysis Macintosh is what we use."

Work smarter, faster, and more creatively...

The computer that can help you work faster, smarter, and more creatively has never cost less, and it's never been easier to purchase. Macintosh can be your "ticket to success" at Texas A&M. If you'd like to find out more, watch the Battalion for details. Or call the Micro Computer Center today at 845-4081.
