

# You don't need your parents' money to buy a Macintosh.

## Just their signature.

It's never been difficult for students to convince their parents of the need for a Macintosh® computer at school.

Persuading them to write the check, however, is another thing altogether.

Which is why Apple created the Student Loan-to-Own Program. An ingenious loan program that makes buying a Macintosh as easy as using one.

Simply pick up an application at the location listed below, or call 800-831-LOAN. All your parents need to do is fill it out, sign it, and

send it. If they qualify, they'll receive a check for you in just a few weeks.

There's no collateral. No need to prove financial hardship. No application fee.

Best of all, the loan payments can be spread over as many as 10 years.

Which gives you and your parents plenty of time to decide just who pays for it all.
