

# Attention!!

This week's Attention!! photo was taken by David Buchta, a junior journalism major.

## Remote Control

Her eyes scan the crowded walkway as the buildings vomit... Students pouring from the gaping doors in intestinal heaves... Scanning... face by face... in hopeless desparation... scanning for a glimpse of grace... grace shaming Apollo... beauty defying Narcissus... scanning... Prey, you... will always be my dream of you... always hoping... never touching... through

obsession you control my mind... disillusion is an unending... cold that... pierces... my hungering... soul... scanning... WAIT... I'm here... please... oh... please... acknowledge by existence... If you will... only look... into my eyes... I know you will love me... forever.

**This Attention!! column was written by Joy Childress, a junior sociology major.**
