Notall MBA's arecreated equal.

Graduating from one of the better business schools can give you a competitive edge. And with twice as many people getting their MBA's today as 10 years ago, every advantage counts.

It's no surprise that enrollment in Kaplan's GMAT prep course has more than quadrupled in those 10 years. Students come to Kaplan to increase their scores. And better scores mean better chances for getting into the school of your choice.

As a bonus, with Kaplan's GMAT prep, you'll receive refresher math lessons and business school admissions information.

So call Kaplan. In the business of business school prep, we have no equal.
