- Items for What's Up should be submitted to The Battalion, 216 Reed McDonald, no later than three business days before the desired run date. We only publish the name and phone number of the contact if you ask us to do so. What's Up is a Battalion service that lists non-profit events and activities. Submissions are run on a first-come, first-served basis. There is no guarantee an entry will run. If you have questions, call the newsroom at 845-3315.

Their way

Our way

You can save literally days of work between now and graduation. Simply by using an HP calculator. To keep you from endlessly retracing your steps, ours have built-in shortcuts. Such as the unique HP Solve function for creating your own formulas. Menus, labels and prompts. Program libraries. Algebraic or RPN models.

Better algorithms and chip design help you finish much faster and more accurately than their way. So, whether you're in engineering, business, finance, life or social sciences, we've got the best calculator for you. For as little as \$49.95. Check it out at your campus bookstore or HP retailer.

There is a better way.
