Aggie Flashback

The following information was gathered from past issues of *The Battalion* and reflects activities that occurred during this week in A&M's history.

25 years ago — A&M shot-putter Randy Matson won a spot on the United States Olympic Team.

50 years ago — Cadets gathered on the steps of the YMCA Building to inaugurate the opening of the Fall 1939 semester with College Night, a precursor to All-University Night. The yell leaders, football team and football coaches were introduced to the students, and the event was quite similar in style to the 1989 gathering.

10 years ago — Mount Aggie was resurfaced with a black polyethylene surface known as Durasnow. The \$17,000 surface replaced the green Astrosnow, a close relative of Astro-turf. No white snow was expected to fall on Mount Aggie.
