

# Cowboys

(Continued from page 11)

half was a 38-yard field goal by Paul McFadden. The Falcons got in position for the kick when Ron Francis was called for interference, resulting in a 33-yard penalty to the Dallas 21.

Miller's passing overshadowed an outstanding effort by Troy Aikman, the \$11 million Dallas rookie who hit on 13 of 23 passes for 241 yards, including a touchdown pass to Michael Irvin that covered 65 yards on the third play of the game.

Aikman also had two interceptions — one by Scott Case, who returned it 13 yards to the Atlanta 34 to stop a Dallas drive that reached the Falcons' 43 just after Atlanta had taken the lead.

The other came with only one second left in the game, a 58-yard bomb into a group of seven receivers and defenders. It was pulled down by Atlanta rookie Deion Sanders, allowing the Falcons to run out the clock.

"The interception hurt us," Aikman said of the one by Case. "It stopped our drive. We had to overcome that, and we didn't."

Bobby Butler scored Atlanta's other touchdown on a 29-yard return of a Walker fumble in the first quarter. McFadden also kicked a 28-yard field goal in the second period.

It was after Butler's touchdown that Walker went to work. He caught a short pass from Aikman and raced 52 yards to the Atlanta 29, setting up his first touchdown.

Miller said Falcons coach Marion Campbell "really put it to us" during halftime, telling the team it had better get going or they'd be 0-2.

"Obviously we didn't want to be down 21-10, but I was confident," Miller said. "We were moving the ball in the first half."

Butler said Miller's second half made it easy on the defense.

"We just sat on the sidelines most of the time and enjoyed the game," Butler said.

"When the defense sees the offense do that, it makes our defense a great one," Case said. "That's the key."

was touched early."

Houston, now 1-1, covered the re-kick and ran out the clock.

"We're just thankful that outside kick was called back," Moon said. "If it hadn't been called back, we'd probably still be out there."

"McMahon did well. They're a young, aggressive team, but they made five turnovers and their mistakes hurt them," added Moon, who finished 21-for-35 for 235 yards.

The home-opening loss left new Chargers coach Dan Henning still seeking his first win as the Chargers fell to 0-2.

"We have five turnovers and they had none and we had more penalties than they did," Henning said. "You don't win a lot of games under those conditions. We have to go back and work on those things to make sure they don't kill us."

San Diego was penalized 117 yards on 13 penalties while Houston drew eight penalties for 70 yards.

The fourth San Diego turnover allowed Houston to extend its lead to 27-14, as Moon threw his second touchdown pass, a 5-yarder to Drew Hill, with 3:39 gone in the third quarter.

Alonzo Highsmith's 16-yard touchdown run with 16 seconds left in the third period came after McMahon suffered his third interception. Linebacker Robert Lyles returned the interception 18 yards to the Chargers' 30. Two plays later, Highsmith gave the Oilers a 34-14 lead.

Marion Butts scored on a pair of 1-yard runs for San Diego, including a fourth-quarter touchdown that stopped a 31-point Houston scoring string.

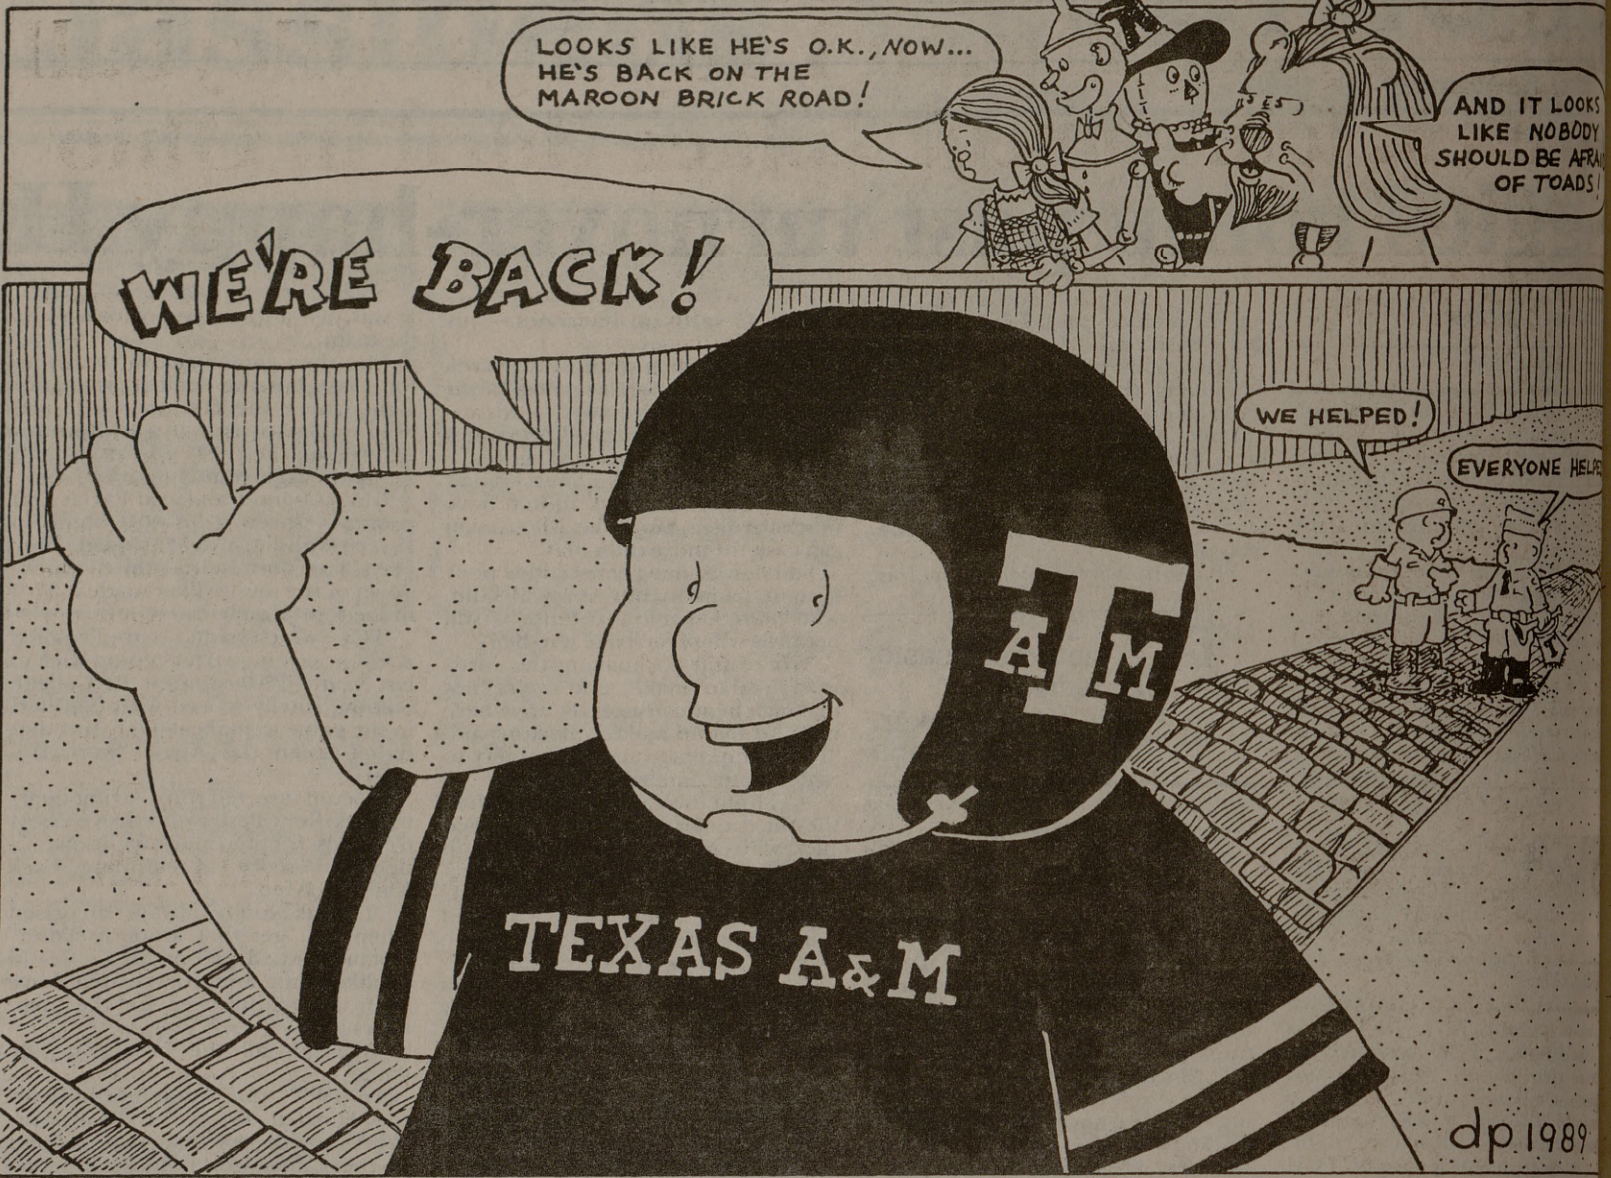

But he also committed a key fumble, losing the ball on the Chargers' opening second-half possession. Houston's Al Smith recovered at the Chargers' 35, and Moon connected with Hill six plays later.

Moon and Ernest Givens earlier teamed up on a 14-yard scoring pass to cap an eight-play, 68-yard drive in the second quarter.

The Oilers capitalized on two of three San Diego turnovers in the first half to take a 20-14 halftime lead.

Overzealous defensive play by Houston and a blocked punt helped produce San Diego's first half scores.

Miller caught a 63-yard touchdown pass from McMahon after a first-quarter drive was kept alive by an unnecessary roughness call on defensive back Cris Dishman.

# Back sets new record with 426-yard game

EL PASO, Texas (AP) — Andre Session already has written his name in the state record books by rushing for 426 yards in the second game of the season.

However, that performance still only ranks the El Paso Jefferson standout as the second best running back his coach has ever had.

"Right now, the best running back I've ever had was Steven Lee," Carlos Lowenberg said Saturday, one day after his junior tailback lead El Paso Jefferson to a 58-28 win over El Paso Del Valle.

"This kid may be a little faster and

he's bigger and stronger, but he doesn't have all of the little moves that Lee had. But he will have them."

What Session does have is the Class 5A record Lee set in 1985 by rushing for 422 yards. Ironically, Lee, who played at El Paso Austin, set his record against El Paso Jefferson.

Lowenberg was Lee's coach in 1985.

Before the season, Session said he wanted to average about 250 yards and help Jefferson make it to the playoffs for the first time in the school's 40-year history.

After two games, the six-foot, 173-pound halfback is averaging 341 yards and five touchdowns. In his record-setting game, Session's 21 carries included scoring runs of 16, 13, 77, 87 and 85 yards. He left the game with about nine minutes left in the fourth quarter.

Session rushed for 256 yards and five touchdowns in Jefferson's season opener.

Lowenberg and Session said Friday night's final statistics were surprising.

"He only had 126 yards in the first half but we noticed some glitches in their defense, so we made some ad-

justments at halftime," Lowenberg said. "I thought that record had been broken but somebody told me last night that it hadn't and this was new one, so this is great."

Session said: "I wasn't expecting that much. And during the game I didn't think I had that much, but I had confidence in my line to pull through."

I thought I had around 300 at the end of the game."

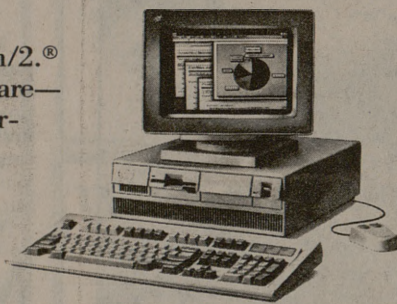

Session's 682 total yards have already surpassed his 1988 rushing total of about 400 yards, said Lowenberg, who has coached high school football for 25 years.

# How're you going to do it?

"My chem lab report is due Monday.  
My English lit. paper is due Tuesday.  
My economics paper is due on Wednesday.  
And the big game's tomorrow!"

# PS/2 it!

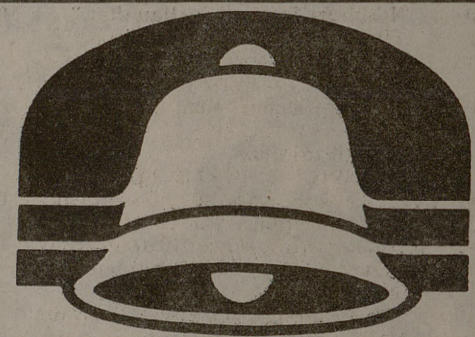

Now, super savings on PS/2's.

Be ready for this semester with the IBM Personal System/2. Choose from five complete packages of hardware and software — all at special low student prices. What's more, when you purchase a PS/2, you can get the exciting new PRODIGY service at less than half the retail price\*. Strike while the prices are hot. Pick the PS/2 that's right for you.
