Raiders a bit of an emotional jump. "From the psychological standpoint, they have a lot of positive things going for them," Slocum said. "We were embarrassed the last time we went out there. I certainly remember that and I'm going to do everything I can to make sure my players remember that."

Some of the players who played that day in Lubbock still do remember. But Lewis said the Aggies will

play the Tech team, not the Tech fans.

"This year we're going to go in pretty focused," Lewis said. "We're going to block the fans out and concentrate on Texas Tech."

However, Lewis said the way the Tech fans treated the Aggies two years ago has been a factor in the team's preparation for the game this week.

"It's really going to be a push for us," he said. "Texas Tech fans are going to be Texas Tech fans — there's no doubt about that. They're going to give Aggies a hard time anyway."

"We'll go in, concentrate on the team and worry about the things we need to do on the field. We'll let the fans do what they want to do."

Pavlas said the Aggies' biggest inspiration this week hasn't been the Tech fans, but knowing that it's a conference game they sorely need to win.

"Tech's going to be a good opponent, especially at home because the fans really back them," Pavlas said. "The environment where we play is just part of the game."

"But I think we have something to prove not to their fans, but to ourselves and to Tech."

Baylor's Goebel, Kinne named AP's SWC Players of the Week

WACO (AP) — Brad Goebel disappeared under a pile of scarlet and black uniforms and never saw his long pass descend.

It came down in the hands of a speeding Greg Anderson, who took 75 yards for a touchdown on Saturday, and the Baylor Bears were off to an important 29-14 Southwest Conference victory over previously undefeated Texas Tech.

Goebel, a junior who finally showed the promise he displayed his freshman season, earned The Associated Press SWC Offensive Player of the Week award for his tremendous showing, which included a 65-yard touchdown pass and a career-high 347 yards passing.

He edged Houston's Andre Ware, who passed for an SWC record seven touchdowns in a 65-7 victory over winless Temple.

Goebel won the award based on

his performance against a quality opponent.

The AP SWC Defensive Player of the Week laurels also stayed in Waco with linebacker Gary Joe Kinne registering 18 tackles, 11 unassisted, as the Bears slowed the Red Raiders' high-octane offense.

Kinne helped cause a fumble that stopped an early Texas Tech drive at the Baylor 6-yard line.

Baylor coach Grant Teaff called Goebel's performance "his best overall game that I can think of."

Grant said Goebel suffered last year from a poor running game and inconsistent offensive line play. He had 16 interceptions.

"Brad had so much pressure on him last year that he was forcing balls," Teaff said. "He doesn't have to do it this year when the running

game gets going. At times last year, he felt like he had to make every play. He felt he had to be the leader and make things happen.

"He's just an old slow boy who is a good football player. He has to maximize his talent."

Goebel's yardage was the fifth best single game total in Baylor history.

It also was the first time since 1986 Baylor passed for more than 300 yards in a game.

Goebel has 4,405 yards passing, ranking him second on the all-time Baylor passing list.

It reminded Baylor fans of the way Goebel played in 1987 when he led the SWC in passing by hitting 158 of 305 attempts for 2,178 yards and nine touchdowns.

"Brad's back," Teaff said.

Foyt's condition serious after crash

CONCORD, N.C. (AP) — Four-time Indianapolis 500 winner A.J. Foyt was listed in serious condition at a local hospital Tuesday after he crashed at Charlotte Motor Speedway during a practice session for the All-Pro Auto Parts 500.

X-rays taken of the veteran driver's head, neck and chest proved negative, but Charlotte Memorial Hospital officials said Foyt, 54, was experiencing neck pain and would be admitted overnight.

"He hit the wall in turn three, slid about 300 yards and came to a stop

at the entrance of pit road," said speedway spokesman Eddie Gossage.

"The track emergency staff worked about 10 minutes to get him out of the car.

"They were mostly trying to be easy because they didn't want to hurt him worse than he was."

Gossage said Foyt was "conscious and alert" when taken to the speedway hospital.

He was later airlifted to Charlotte

Memorial Hospital.

"We don't know why he hit the wall," Gossage said. "It was just practice. He wasn't racing the car."

Gossage said he did not know if Foyt's injuries are serious enough to keep him out of Sunday's race.

"It's too early to say he's not going to race because we don't know what his injuries are," Gossage said. "But he hit the wall very hard."

The last time Foyt won a NASCAR race was in 1972, when he took the Daytona 500.
