WELCOME BACK TO WILDERNESS KINGDOM. I'M REX MAINLY. TODAY WE'RE TALKING TO BATTALION EDITOR, SCOT WALKER!  
SCOT, A RECENT "LETTER TO THE EDITOR" SUGGESTED THAT THE BATTALION IS JUST LIKE THE NATIONAL ENQUIRER!  
LIKE, TOTALLY UNTRUE, MAN.  
HEY, SCOT! DID YOU HEAR THAT PRESIDENT MOBLEY WAS JUST CAUGHT IN A BIZARRE LOVE-FEST WITH MADONNA AND SEVERAL SMALL ANIMALS?  
FAR OUT!!!  
ACTUALLY, I WAS KIDDING! SCOT LOOKED LIKE HE COULD USE SOME CHEERING UP!

**PADE PHILLIPS, P.I.** by Matt Kowalski

HEY, PAL, WANNA HEAR A GOOD POLISH JOKE?

**Imagine.**

Imagine a state law that forces pregnant teenagers to tell their parents if they want an abortion, even in families plagued by physical violence and sexual abuse.

Imagine a state law that drives pregnant teenagers away from safe, confidential medical care.

Imagine a state law that makes abortion impossible for many pregnant girls and forces them into teenage motherhood.

Imagine a state law that devastates the future of young women by stunting their education and career opportunities.

**Stop imagining.**

Parental consent or notification statute enforced  
Parental consent or notification statute enjoined  
Parental consent or notification statute not generally enforced

**These laws are real.**

The American Civil Liberties Union fights laws that violate a teenager's right to privacy and equality - laws that violate a teenager's right to choose between childbirth and abortion. Imagine the difference we can make with your help. Write us.
