But whatever the differences are among individuals and groups, evthat said, "Save a logger — eat an among individuals and groups, evowl," referring to the conflict in Ore- eryone must work together to save gon between loggers and environmentalists trying to protect an en-dangered species' habitat.

Environmentalists were outraged, and confronted Miles at "One Earth, One Chance," a conservation program held at the Grove in October. Miles said the concern of the

"The shirt was (given) to me after presentation," Miles said. "Cer-

a presentation, which said. Certainly I'm not promoting devastation of endangered species."

A&M senior psychology major Michelle Chase, an environmentalist, said she realizes there are two

sides to every story. "I watched and experienced and talked to so many people who are cutting off success because they couldn't work with other people,"

she said. She said she would like to see an agreement between foresters and those who disagree with how for-

estry is approached.

"I see myself mediating between them because no one else is," Chase

A&M student Liz Edwards, copresident of the Texas Environmen-

tal Action Coalition, said politics and economics are connected with water and air pollution and rain forests. She said she wanted as much environmental information as possible.

some even wanting Miles to resign. keep this in mind — not just the rad-A photograph on page 13 of the ical side of environmentalism. Emo-July-August 1989 issue of Forest tions and organizations don't go

the planet, Edwards said.
"If we don't make a chance now, we won't have a chance," she said.

Strong concern for environmental issues is often long-lasting. Its effects are widespread on personal, com-munity and even state and national

Texas Forest Service is to be rational and willing to compromise between jobs and animals.

"The shirt was (given) to make the strongly involved in environmental issues," Chase said.

A psychology major, Chase said she plans to take her patients outdoors and use nature as a type of

Everyone needs to realize that taking care of the environment is vital to existence, and a tree is as important as an animal, she said.

"It's even more inanimate than that animal," Chase said. "It needs to be given more than thoughtless

Diane Craig, executive coordinator of Brazos Beautiful Inc., said when someone litters by throwing out a napkin, they feel no guilt because it is only one piece of trash.

"(But) each person makes a big difference," she said. "If we all threw them, that's an awful lot.
