Russell has shown no effects from the elbow surgery that forced him to miss more than half of the 1990 sea-

"It's good to get out here again," he said. "It's good to see the guys, kid around with everybody."

Before his surgery, Russell led the clubhouse in practical jokes. In airports, he and Bobby Witt were notorious for tying a string to a dollar bill, dropping it in a crowded concourse, then jerking the string when someone reached for the bill.

He was always a threat to run you over with a remote-control car.

But these days Russell seems to work out more and laugh less.

NEW YORK (AP) — Jimmy Johnson, having guided the Dallas Cowboys to a six-game improvement and into playoff contention this season. won NFL Coach of the Year honors

Johnson, in his second year with the Cowboys after an illustrious career as a college coach, got 181/2 votes from 80 sports writers and broadcasters in balloting conducted by The Associated Press. He edged Art Shell of the Raiders by 21/2 votes.

"That's very nice. and I'm truly honored," Johnson said. "I think the voters looked at the entire year and the improvement we had made over

In 1989, the Cowboys were 1-15, the worst team in the NFL and in franchise history. It was a rude debut as a pro coach for Johnson, who won the national title in 1987 at the University of Miami.

Still, it was a remarkable turn-around for the Cowboys.

"I think it helps our credibility," said Johnson, who was a college teammate at Arkansas of Cowboys owner Jerry Jones. When Jones bought the Cowboys after the 1988 season, he immediately summoned Johnson to coach the team. Johnson's quick rebuilding in Dallas has helped smooth his and Jones' images after the firing of Hall of Fame coach Tom Landry.

Santiago's charges dropped

SAN DIEGO (AP) — Prosecutors say they've decided not to pursue misdemeanor charges of driving while intoxicated and obstructing a police officer against San Diego Padres catcher Benito Santiago.

Santiago says he feels vindicated by Monday's decision by the District Attorney's office to drop all charges stemming from his Dec. 23 arrest by

Coronado police.

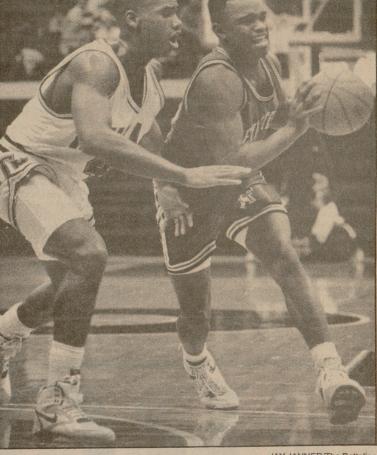

"This is great news because I know I didn't do anything wrong,"

Santiago was arrested after he stopped his car to try to help his sister, who had been stopped near the San Diego-Coronado Bay Bridge by an officer who reportedly saw her driving erratically.

The all-star catcher, who contends he was beaten during the arrest, still may pursue a civil suit against the Coronado Police Department, said his agent and attorney, Scott Boras.

"We're continuing to evaluate the situation and we'll make a decision at a later date," Boras said.

Boras said Santiago was only try ing to help his sister because she doesn't speak English when three officers wrestled him to the ground and arrested him. Eneida Santiago, 42, was released after police deter-

Former gridders face jail

KINGSVILLE, Texas (AP) — Two former Texas A&I University football players and a former A&I student convicted last year of cocaine dealing could end up in prison because of alleged violations of probation terms.

Judge J. Manuel Banales is keeping them in jail until a Jan. 25 probation revocation hearing in the 105th District Court in Kingsville

Court documents filed Friday allege that former football players Johnny B. Eaton and Dyas Evans, both 23, and 20-year-old Rocky Wayne Runnels all tested positive for use of illegal drugs last month. The documents also allege that

the three violated various other terms of probation, including failure to pay fines and fees and failure to report to probation officers, according to the Corpus Christi Caller-Times.

Eaton, Evans and Runnels were arrested in late April after an undercover cocaine-dealing investigation by the Kleberg County Sheriff's Department. Evans had been removed from the A&I team before his arrest. Eaton had been placed on indefinite
