Johnnie Townsend and Lee Whitlock (left to right), employees of the kinesiology department, rotate the sprinklers on the new Mount Aggie. The newly laid grass sod requires three weeks of daily watering and frequent rotation of the sprinklers to prevent over-watering. The new 50-foot Mount Aggie is scheduled for

completion for the Fall 1990 semester. The side facing Wellborn Rd. will be for intermediate skiers, and the side facing the tennis courts will be for beginners. Construction of the base surface and a fence for security measures, as well as installation of artificial turf and a new Mount Aggie sign remain to be done.

Fredericksburg attracts top racehorses

AUSTIN (AP) — Fredericksburg is attracting top horses to its second session of pari-mutuel racing starting today, and track officials are promising less time in betting lines. The horses are coming from New Mexico, Oklahoma, Louisiana and Texas because their owners want part of the \$100,000 Quarter Horse of Texas Breeders Sales Futurity, the biggest pari-mutuel race ever run in the state. Trials begin today with the final race scheduled July 22. The winning horse earns \$30,000, and the other nine finishers also take home part of the \$100,000 purse. About 50 horses are entered in the trials, with their owners posting a \$1,500 entry fee. "The better horses there are, the more people

will bet on them," sponsor David Graham said. "Purses like this get better horses to Texas." The Fredericksburg track, on the grounds of the Gillespie County Festival and Fair Association, premiered pari-mutuel racing on Memorial Day weekend. More than 5,000 people each day packed the grandstands. They wagered more than \$800,000, almost double what was forecast. The second session continues through Thursday. More than 300 horses are entered for the three days of racing, including Racine Divi, who has earned \$42,000 this year. Other top horses scheduled to race are Dashing Kitty, winner of \$25,000, and Mary's Request, with \$34,000 in earnings.

Races this session will offer prizes of \$3,000. The top purse on Memorial Day weekend was \$1,800. An additional 20 trainers have been working their horses at Fredericksburg since the Memorial Day weekend. Track officials will have more than 60 windows open and have hired additional help to reduce the wait in the betting line. In the opening session, the wait to bet sometimes stretched as long as 30 minutes at the 56 windows. All the city's motel space has been reserved and all reserved seating for Wednesday has been sold. "We don't know what to expect on (July) 3rd and 5th because people have to work," Larry Wymman, Fredericksburg racing director, said.

Police seek information about boat motor theft

Brazos County Crime Stoppers is seeking information about the burglary of a boat motor from the Bryan Marine Shop on May 14. Sometime during the night of May 14, person(s) cut through a chain link fence surrounding the Bryan Marine Shop, 1008 W. William Joel Bryan Parkway. The person(s) then kicked and pried open an overhead door to gain entry to the shop. Once inside, they searched through inventory and used the shop's homemade cart to haul an outboard boat motor through the door and hole in the fence. Officers responding to the reported burglary followed the person(s) trail through a vacant lot behind the shop to Alamo Street. The boat motor is a black 1990 15 horsepower Mercury outboard motor, serial #OC225089, and is valued at \$1,800. The motor was in the box when it was stolen. An orange three-and-a-half-gallon gas tank compatible with the motor and a large homemade cart also were stolen.

Brazos County **CRIME STOPPERS** 775-TIPS

Bryan police detectives believe the person(s) were familiar with the operation and layout of the shop and believe they will attempt to sell or trade the items in the local area. This week the Bryan Police Department and Crime Stoppers need your help in identifying the person(s) responsible for this burglary. If you have information that could be helpful, call Crime Stoppers at 775-TIPS. When you call, Crime Stoppers will assign you a coded number to protect your identity. If your call leads to an arrest and grand jury indictment, Crime Stoppers will pay you up to \$1,000 in cash. Crime Stoppers also pays cash for information on any felony crime or the location of a wanted fugitive.

GuyRex dynasty may end this year

EL PASO (AP) — The dynamic duo that has spent 10 years creating beauty queens and beauty pageants, Richard Guy and Rex Holt, may be producing their last Miss Texas USA pageant this week. The beauty pageant moguls and their El Paso-based business, GuyRex Associates, has had a rocky relationship with Miss Universe Inc. — producers of the Miss USA and Miss Universe pageants. GuyRex is unsure if its license agreement to

produce Miss Texas USA 1992 will be renewed. "We really don't know (if GuyRex will produce another Miss Texas USA) because our relationship for the last 2 1/2 years with Miss Universe Inc. hasn't always been good," said Fran Jacques, GuyRex spokesman. "They have problems with us and we don't think they like us." The Miss Texas USA 1991 pageant was to be broadcast live Monday night from San Antonio.
