HOWDY AGS!
For the last 9 1/2 years I worked for Texas Coin Ex. Inc. During the years I always gave a good deal to whomever I was dealing with.
Now I have opened my own store at 404 University Dr., Lee Rhea, who previously did all of the coin exchanges; Jewelry repair is joining my firm. I am an Aggie class of 1979 and was in the Corps of Cadets.
If you are interested in a good selection of Fine Jewelry, loose diamonds, rare coins and fine watches and want an honest deal, buying or selling, please don't hesitate to call me!

Thank you,
John D. Huntley

Silver got to \$51 an oz. now
it is \$385 and \$4.85 and oz. (9/3/90)
