

Discover A Career In Management Consulting With Price Waterhouse

Graduation is approaching. You're caught up in the excitement of embarking on a promising and challenging career. You want to succeed in the competitive environment of the nineties and beyond.

Price Waterhouse provides you the opportunity to excel in the decades ahead. Our Management Consulting Services (MCS) offers a dynamic atmosphere for gaining practical business experience and technical knowledge.

As a new MCS Information Technology consultant, you will participate in an extensive training program, combining self-study with hands-on experience. We help develop your skills so that you may continue our tradition of providing the highest quality information technology services to clients from Boston to Bangkok.

If you are among the best and the brightest in an analytical major (MIS, Computer Science, Engineering, Math, etc.), we invite you to come meet with us and learn why you should consider joining Price Waterhouse.

Look to a bright new future with MCS and discover what the nineties hold for you.

We will hold an Information session at Texas A&M University

September 10, 1990, 6:30 pm
J. Earl Rudder Conference Center, Room 302

We will be conducting interviews on October 8, 9 and 31. Contact the Placement Office for information.
