Bell Communications Research

*"And in today
already walks
tomorrow."*

Samuel Taylor Coleridge

Bell Communications Research (Bellcore) provides the research, engineering, and technical support necessary to keep its owner/clients, the Bell operating companies, on the leading edge.

With over 8,000 highly talented employees on staff, we are one of the largest research consortiums in the world and the source of significant breakthroughs in a wide variety of technical areas.

We have openings at our northern and central New Jersey facilities for creative thinkers who are interested in making a significant contribution in:

- Software Design and Development
- Applied Research
- Network Information Systems
- Systems Engineering
- Network Planning

A BS, MS or PhD degree in Computer Science, Computer or Electrical Engineering is a requirement. We're also looking for individuals with PhD degrees in Mathematics, Statistics, Operations Research, Physics or Human Factors Engineering.

Sign up at the Career Planning & Placement Center to meet our recruiters on campus, September 27.
