Foyt suffers fractures in racing crash

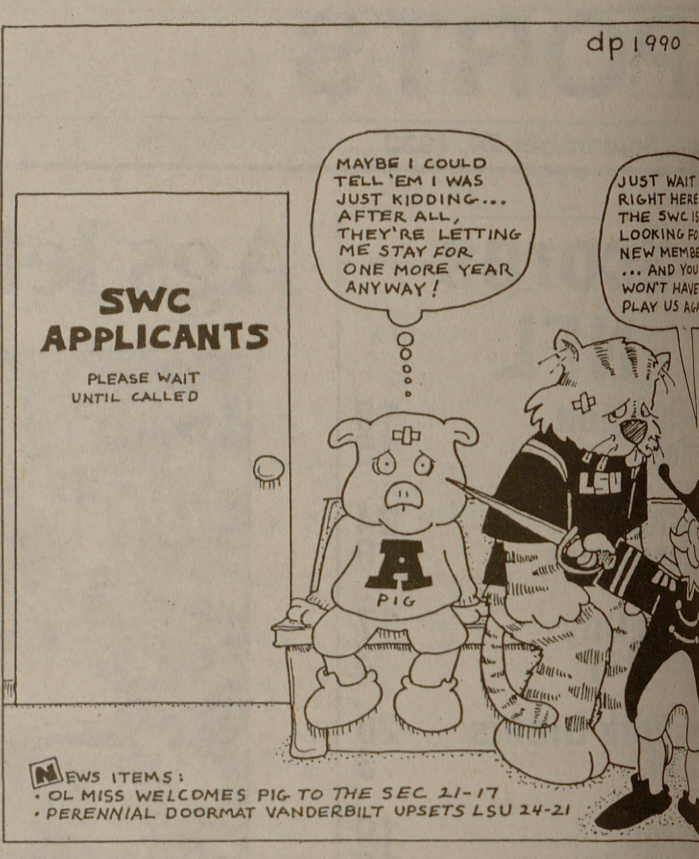

ELKHART LAKE, Wis. (AP) — A.J. Foyt, the winningest driver in Indy-car racing history, was in satisfactory condition Sunday after a crash during the Texaco-Havoline 200 in which he broke his left knee and heel and dislocated his right foot.

Foyt, 55, went off the rolling 4-mile, 11-turn circuit at the end of the main straightaway, drove over a berm and into a grassy depression. The front end of the car was crushed in on top of the four-time Indianapolis 500 winner and it took CART safety workers more than 15 minutes to cut the injured driver out of the damaged Lola.

Dr. Steve Olvey, director of medical affairs for CART, said, "His vital signs are stable and have been stable throughout the entire episode. He's awake and alert and talking. He has badly fractured lower extremities. There were no further apparent injuries."

Foyt was stabilized at the scene of the crash, then transported to Milwaukee County General Hospital, about 60 miles from the track, by medical helicopter. His condition was listed as serious when taken from the track, but was subsequently upgraded to satisfactory after an examination at Milwaukee.

Dr. James Stiehl, an orthopedic surgeon at the hospital, said Foyt would undergo surgery to repair the knee injury and would be kept in the Milwaukee hospital 24-48 hours before being transported to Methodist Hospital in Indianapolis for further treatment.

Austrians close to Cup victory

VIENNA, Austria (AP) — Thomas Muster and Horst Skoff, the odd couple of Austrian tennis, brought their nation within one set of a Davis Cup semifinal victory over the United States before darkness halted play Sunday.

Muster played nearly flawless tennis in beating mistake-prone Andre Agassi 6-2, 6-2, 7-6 (7-2), tying the best-of-5 series 2-2. Then Skoff led Michael Chang 6-3, 7-6 (7-4), 4-6 when play was suspended.

Skoff and Chang will complete their match Monday, in this series that has been plagued by rain and cold.

The winner will face Australia in the Davis Cup final Nov. 30-Dec. 2. The Australians defeated Argentina 5-0 in the other semifinal.

Muster, who is 24-0 in Davis Cup matches on clay courts, kept Agassi off balance with sharp passing shots, well-disguised lobs and delicate drop shots.

The Skoff-Chang match started an hour late because of rain.

Muster and Skoff are old rivals and make no secret of their dislike for each other. They have been feuding since they were youngsters and barely talk to each other while with the team.

"We are not a soccer team, we don't have to pass to each other," Muster said. "We are professional — each one has to do his job."

The animosity is partly a matter of personality — Muster is a hard-working introvert and Skoff an undisciplined extrovert — and because they are competing for the same fans.

Moon's three TD passes mark lunar eclipse in Oilers' records

HOUSTON (AP) — Warren Moon finally got the Houston Oilers' run-and-shoot offense shooting straight Sunday.

After two games filled with misfires, Moon wrote himself into the record book with three touchdown passes to become the Oilers' all-time leading passer en route to a 24-10 victory over Indianapolis (0-3).

The Oilers (1-2) avoided an 0-3 start after the game started with a fumble by Moon on the Oilers' first offense play.

Moon recovered to complete 29 of 39 passes for 308 yards and touchdowns of 13 and 7 yards to Lorenzo White and 6 yards to Ernest Givins.

"Really, we needed a win more than I needed to set any kind of records," Moon said. "All this means I've had good receivers and I've been here a long time."

"It'll be something to look back in the record books when I am older."

He now has 19,289 career passing yards, erasing the record set by former Oiler quarterback George Blanda.

"That wasn't exactly what we had in mind when we said we wanted a fast start," Oilers coach Jack Pardee said of Moon's early fumble.

"But we got things going in the second quarter, and that's what we needed. We've been pressing. We needed to get a little reward for our hard work."

After both teams spent the first quarter victimizing themselves with mistakes, Moon went to White for touchdowns and a 14-0 halftime lead.

The Oilers took advantage of four first-half turnovers by the Colts — fumbles by Jack Trudeau and Clarence Verdin and interceptions of Jeff George and Trudeau.

"We had our chances, and we constantly stopped ourselves," Colts coach Ron Meyer said. "The four first-half turnovers were responsible for 14 points."

It's all starting to sound repetitive to Meyer.

"Again we took the thing into the fourth quarter," he said. "Again, the defense is going to be chastised."

Trudeau replaced rookie starter George in the second quarter when George sustained a stomach injury.

"I was just trying to make something happen, and the coaches agreed we'd be better off with Jack in there," Meyer said.

The Oilers defense held the Colts to 252 yards and had three sacks, two by defensive end William Fuller.

"We had some sacks but the key thing is we constantly hurried and pressured the quarterbacks, and had very little time to operate," Fuller said.

Redskins scalp Dallas with eight sacks

WASHINGTON (AP) — Playing with a quarterback who had thrown only 10 times in the NFL, the Washington Redskins fell back on their defense to beat the Dallas Cowboys at home for the first time since 1987.

The Redskins sacked Troy Aikman eight times to help set up four Chip Lohmiller field goals and cornerback Darrell Green scored their only touchdown with an 18-yard interception as Washington beat Dallas 19-15 Sunday.

"This would have been their third straight win here, and we didn't want that to happen," said defensive tackle Tracy Rucker, who had one of the sacks.

The Redskins were relying on third-year quarterback Stan Humphries after Mark Rypien went down with a severely sprained knee late in the second quarter and the score tied at 3.

Rypien and Humphries were a combined 13-of-30 for 155 yards.

"Thank goodness for the defense," said Washington coach Joe Gibbs. "They took it upon themselves and played great. The defense found a way to make a couple of big plays for us."

The Redskins (2-1) won despite being outgained 234-214 as the Cowboys held the ball for more than 12 minutes longer and got 19 first downs to Washington's 11.

But Cowboys quarterback Troy Aikman could only get the Cowboys (1-2) into the end zone once, completing 23 of 43 passes for 207 yards and two big interceptions. Fred Stokes had two sacks and one fumble recovery.

"We felt coming in they were going to come after us practically every down," said Aikman, "and they just about did that."

The Cowboys battled within 19-15 and drove to the Washington 40 when Todd Bowles put the game away by picking off an Aikman pass over the middle with 1:13 left and returning it the Dallas 21.

"We all gave a big sigh of relief," Green said. "It was anybody's game until Bowles made that play."

Last year, the Cowboys beat Washington for their only victory of a 1-15 season.

Down 9-6, Aikman drove the Cowboys to the Washington 46 before the blitzing Bowles caused him to fumble in the backfield and Stokes recovered.

Lohmiller followed three plays later with a career-best 55-yard field goal with 2:36 left in the third quarter for a 12-6 Washington lead.

Four minutes later, Green picked off an Aikman pass at the 18 as the quarterback threw from his own end zone. Green reversed field a couple of times and ran in.

Rookie Emmitt Smith scored only offensive touchdowns on the game, capping a 71-yard drive with a 2-yard run that brought Dallas to within 3:03 left.

Backed up to their 2-yard line fourth down, the Redskins accepted a safety when punter Ralf Moore Jenko stepped out of the end zone setting up Aikman's final drive.

"We've got some injuries in the defensive line and at the end there were really tearing off," Dallas coach Jimmy Johnson said.

Rypien sprained a knee when he was hit by defensive tackle DeHamel as he completed a 15-yard pass to Art Monk with two minutes left in the half. He returned to the sidelines on crutches in the second half and Gibbs said it appeared he would be out for "awhile."

Humphries, who was 5-of-13 for 58 yards, stalled and the Redskins settled for Lohmiller's 23-yard field goal and a 6-3 lead.

The Redskins opened the second half with their first turnover of the year when Roy Horton fell on the field.

Mitchell's fumble on the kickoff the Washington eight. The Cowboys fell back 16 yards on a penalty sack before Ken Willis' second field goal, a 41-yarder, made it 6-6.

Lohmiller's first score came on a 37-yard field goal at the end of the first quarter. Rypien drove the Redskins 67 yards to set up a tying 54 yards on four passes to Rypien.

The Cowboys started at the Redskins 37 after a short punt. Willis hit a 33-yard field goal that tied the score at 3-3.
