HIGHLIGHTS

"Funk Fest" tonight

Also, the semester's second "Funk Fest" is scheduled tonight at the Front Porch Cafe. The lineup has been changed from the last fest, with Sprawl and House In Orbit performing.

Sprawl delivered a rippin', groove-heavy show last time, and House In Orbit is always a ska-otic pleasure. One of the best entertainment bargains, especially for all you sadistic funk fools, the "fest" is a rare B-CS "can't miss."

The show is scheduled to begin with House In Orbit at 9 p.m. For more information, call the Front Porch Cafe at 846-LIVE.

Earth First! concert

Veteran Earth First! organizer and speaker Roger Featherstone will appear with eco-folk musician Scotty Johnson at the Unitarian Fellowship tonight. The show is an information/inspiration performance concerning the wilderness and preservation.

Promoting the event as a rabble-rousing road-show in "the tradition of the old-time medicine show," the dual performance will feature songs from Johnson's latest release, *Century of Fools*, as well as a speech by Featherstone, and information handouts.

The Unitarian Fellowship is located at 305 Well-born Rd. The show is scheduled to begin at 8 p.m. and tickets can be purchased at the door for \$3.

For more information, call Dwight Barry at 693-7383.
