# UIL reprimands GP coach for providing team with meals

AUSTIN (AP) — The governing body of schoolboy athletics on Thursday publicly reprimanded football coach Bruce Bush of Gregory-Portland, suspended him for two games and placed him on probation for one year because meals were provided for his team.

But Gregory-Portland, which had been disqualified from the football playoffs by its district committee, will be allowed to compete for state championship honors under a motion adopted by the University Interscholastic League.

The team is undefeated in district with two games remaining, which Bush will miss.

The UIL State Executive Committee also issued a public reprimand against the Gregory-Portland football program and extended for one year, to February 1992, probation that already was in effect for another incident.

Pizzas were bought for the Class 4A team by school principal Dottie Childs, according to the UIL.

It also was reported that hamburgers and breakfasts were paid for by the school from an account used to pay for such things as athletic trips in the playoffs.

Bush said the meals were bought to show support for players who had reached the playoffs, and he did not think about it being a possible rule violation.

He said, however, "Any violation we have in our program is my fault, and I'm the one who should be punished, not the kids."

"Everybody was trying to do so much for the kids," Bush added. "I'm not a cheater, and we don't cheat at Gregory-Portland High School."

In other cases of alleged violations, the UIL's State Executive Committee:

— Publicly reprimanded Sander-son football coach Gary Shackelford and placed him on probation for one year as a result of his pulling his team from the field with six minutes to go in a losing game against Van Horn on Oct. 12.

— Refused to add its own penalty to a junior high school coach accused of recruiting a running back for the Judson Independent School District.

On Oct. 2, the District 26-5A executive committee issued a public reprimand and probation for one year to the Judson football program and suspended running back Jerod Douglas from varsity athletics for two years.

The district committee transferred to the state UIL committee the case of junior high coach Donny Littlefield for consideration of a penalty greater than a private reprimand for allegedly recruiting Douglas for Judson.

The state committee rejected public and so-called private reprimands by votes of 2-6 and 3-5, respectively.

# Foreman readies to regain title from Holyfield

MARSHALL (AP) — Only one obstacle lies between George Foreman and the dream he has been fighting to achieve since March 1987 — Evander Holyfield.

Foreman

The former heavyweight champion may be 14 years older than Holyfield, but he said he intends to regain the title he lost to Muhammad Ali 16 years ago.

Foreman, 42, of Houston, has won 23 consecutive fights since announcing his comeback after a 10-year layoff.

Holyfield will defend his new title against Foreman for \$20 million. Foreman will get \$12.5 million in the bout, whose site and date have yet to be determined.

Foreman told the Marshall News Messenger this week he'll be prepared to face Holyfield, who won the title Oct. 25 with a third-round knockout of James "Buster" Douglas.

"I've dedicated myself for that moment," said Foreman. "When the time comes, I'll be ready."

The Marshall native plans to return to his ranch in Marshall in November, where he'll add "a little wood chopping" to his list of exercises.

Foreman said he is training about 16 hours a day and plans to be in top shape for the Holyfield bout. Since starting his comeback, his fight weight, anywhere from 255 to 263 pounds, has been the target of criticism.

Foreman, who is 67-2 with 63 knockouts, said he started his comeback with the intention of fighting until getting a shot at the title.

"I expected it to be at least 2½ to three years. It's about timing. Most people look at the Cadillac in the window and try to get a big payday," said Foreman. "But I wanted to get the title."

"I've had more fights in the little time that I've been back than Holyfield has had (in his entire career)," noted Foreman.

# Man accused of shooting Oiler receives sentence

BAYBORO, N.C. (AP) — A Pamlico County jury has rejected a man's claim that he acted in self defense when he shot a Houston Oilers football player in the knee last February.

Judge Herbert Phillips sentenced George Credle, 44, of Mesic, to 10 years in prison Wednesday after the jury found him guilty of assault with a deadly weapon inflicting serious injury after 30 minutes of deliberation.

"I'm sorry that it happened," said Doug Smith, 30, a Houston Oilers noseguard and Mesic native. "I al-

ways knew him all my life. He was just about as good a friend as I've had."

Phillips handed down the maximum sentence after finding that a second shot Credle fired after he had wounded Smith showed an intent to kill.

Credle testified Wednesday that he feared for his life when he shot the 325-pound Smith in the back of the knee with a rifle from 37 feet away. "I really was scared," he said in court. "I didn't want him to tackle me."
