**Crowe sees slight glimmer of improvement in Hog team**

FAYETTEVILLE, Ark. (AP) — Arkansas coach Jack Crowe was excited, not so much because Arkansas broke through against Southern Methodist University but because of what he saw.

In a game matching teams 0-7 in the Southwest Conference, Arkansas prevailed 42-29. It was 28-6 in the third quarter.

"We don't have that much to beat our chests about in beating SMU, but I saw the look in our players' eyes and liked what I saw," he said Sunday. "It gives us hope. That is what excites me about the future."

The teams were scoreless in the first quarter when SMU's Mike Romo strung together seven straight completions and the Mustangs reached the Arkansas 1. Kevin Love fumbled into the end zone and Del Chunn recovered for Arkansas.

The Razorbacks got out of a hole with a drive that ended in a missed field goal and then scored on two straight second-quarter possessions for a 14-0 lead.

"I thought Arkansas came in 'dead' until that fumble," said Forrest Gregg, who announced early in the week that he would step down as SMU football coach and remain as athletic director.

"That goes back sort of like the Tulsa ball game where they drove down the first time and we had a goal-line stand and the game takes off from there," Crowe said.

He also said neither he nor the team would act like the victory erased seven straight losses. "Winning our first conference game doesn't mean anything," he said

Saturday. "A loss would have meant something."

Crowe said Sunday that the Razorbacks had weaknesses all year and that some of those couldn't be fixed.

"We became a team as the season went along," said. "We started the season with a good work attitude and a winning attitude. Somewhere in the middle of the season we lost the winning attitude. We never lost work attitude."

"We recaptured the winning attitude in the last weeks of the season. The younger players began taking responsibility for helping to win games rather than just serving."

He said the seniors provided outstanding leadership early in the season, but didn't know what to do in the middle of the season. "We were all overwhelmed by what was happening," he said. "After the Baylor game the senior leadership took hold of our entire season."

On Saturday, E.D. Jackson carried 29 times for yards, the first time all year that an Arkansas back rushed for more than 100 yards. Jackson started the year as a fullback but was moved back to tailback late in the season.

"We need to leave E.D. at tailback and get him the ball," Crowe said. "When he carries the ball a lot of things happen. That was obvious in the fourth quarter against Texas A&M last year and it was obvious against SMU."

He said that early in the season, the defense felt Arkansas offense could move the ball through the

**Grovey sets records galore in Hog career**

FAYETTEVILLE, Ark. (AP) — Arkansas quarterback Quinn Grovey produced a school record 50 touchdowns during his career, 29 passing and 21 running.

Grovey tied Bill Burnett's record of 49 touchdowns when he threw a 4-yard pass to Kirk Botkin in the first quarter Saturday. He broke the record with his 53-yard touchdown pass to Derek Russell in the third quarter of the Razorbacks' 42-29 victory over Southern Methodist.

Grovey, who took Arkansas to Southwest Conference championships in 1988 and 1989, finished as the Razorbacks' total offense leader with 6,242 yards rushing and passing. His 29 touchdown passes tied the record set by Billy Montgomery.

Grovey completed 13 of 17 for 219 yards against SMU and moved into third place in career passing yardage with 4,496 yards.

**Hurricanes officially accept bid for Cotton Bowl**

DALLAS (AP) — The No. 2 Miami Hurricanes on Saturday accepted a bid to battle the No. 6 Texas Longhorns, possibly for the national championship, in the Cotton Bowl Jan. 1 in Dallas.

Miami, the defending national champion, was 7-2 overall going into Saturday night's game against Syracuse. The Hurricanes complete their regular season Dec. 1 against San Diego State.

The Longhorns, 9-1 overall and 7-0 in the Southwest Conference, clinched the league title Saturday with a 23-13 victory over Baylor. They close their season Dec. 1 against Texas A&M.

Victories in both teams' final games and a Colorado loss to Notre Dame in the Orange Bowl could make the Cotton Bowl a brawl for the national title.

Jim Brock and Max Christian of the Cotton Bowl Athletic Association formally extended the invitation to Miami Athletic Director Sam Jarchi in a telephone conference from Miami.

"We accept this invitation very enthusiastically," Jarchi said. "We've been here nine years now, and we've been to nine Jan. 1 bowl games. This is the one game that we have not been to."

"It is going to be a great football game. Now what we have to do is take care of our own business Saturday night and beat a very good Syracuse team and then go on and play San Diego State ... then it can be very interesting."

Brock said "the electricity is in the air in Dallas" over having Miami in the Cotton Bowl.

"We're confident we're going to have the national championship matchup in Dallas, Texas, on January 1," Brock said. "Where do you have a better matchup in America than University of Miami at University of Texas?"
